Agitation with a Smile Stephen Bird, Adam Silver, Joshua C. Yesnowitz, 2015-11-17 *Agitation with a Smile* offers a reappraisal of Howard Zinn's political thought and situates his efforts in a contemporary context looking toward the nature of activism and dissent in the future. This is the first book to provide a substantive account and assessment of Zinn's philosophy and approach to collective action and to a larger extent democracy. The contributors to this book explore the most effective mechanisms by which to arouse public support for seemingly radical positions and how current technological advancements may alter our perception of Zinn's activism. The book is a valuable guide to a new generation of activists and scholars of politics in gauging the lasting relevance and legacy of Zinn's ideals, concepts and methodology. The text is neither fawning nor unduly critical unlike many discussions of Zinn in popular culture. Rather the contributors engage the various complexities and tensions present throughout Zinn's work and subject them to contemporary assessment. This is a multidisciplinary and international approach to Howard Zinn's intellectual and activist canon. **Your Body Knows the**

Answer David I. Rome, 2014-10-07 *A manual for Mindful Focusing* a new integration of Western psychology and Buddhist mindfulness techniques for accessing your inherent wisdom and solving life's problems. Ever come up against one of those moments when life requires a response and you feel clueless? We all have. But there's good news: you have all the wisdom you need to respond to any situation even the impossible ones. It's a matter of tuning in to your felt sense that subtle physical sensation that lives somewhere between your conscious and subconscious mind and that can be accessed through Focusing, the well-known method developed by the psychologist Eugene Gendlin. David Rome's technique of Mindful Focusing unites Gendlin's method with Buddhist mindfulness practices to provide a wonderfully effective method for accessing your felt sense so you can problem solve, deal with challenges and respond honestly and creatively to the world around you. *Single Best Answers for Medical Students* Stuart Kyle, 2024-01-03 *Single Best Answers for Medical Students* Easy to use SBA revision aid for medical students taking formative and summative examinations throughout medical school covering a broad range of topics. *Single Best Answers for Medical Students* enables students to apply their knowledge to 500 commonly examined scientific questions from a range of topics including biochemistry, cell and molecular biology, genetics, anatomy, embryology and histology with detailed answers. Understanding Civil War: Africa Paul Collier, Nicholas Sambanis, 2005 This publication is part of a two volume set which builds upon previous World Bank research into the causes and characteristics of civil war onset particularly the model developed by Paul Collier and Anke Hoeffler regarding the relationship between violent political conflict and economic development This volume considers the variables identified in the Collier Hoeffler model and applies them to a set of case studies from a range of African countries and then goes on to trace the process of conflict escalation in order to draw conclusions as to why civil war is likely to occur The publication seeks to advance theoretical and empirical knowledge of civil war in order to help further the objective of developing appropriate policy interventions Another volume with case studies from a range of non African countries is available separately ISBN 0821360493

Discipleship in a World Full of Nazis Mark Thiessen Nation, 2022-01-20 Things do exist that are worth standing up for without compromise To me it seems that peace and social justice are such things as is Christ himself These are words Dietrich Bonhoeffer spoke to his brother a few months before he began training future pastors in the ways of discipleship For several years he had been speaking out against war Near the beginning of the anti Semitic Nazi regime he called on his fellow Christians to speak out against a state that was engaging in oppressive measures to respond to victims of oppression and to be willing to suffer as a church if it was required to stop such oppression His vision for training disciples was rooted in pure doctrine serious worship a new kind of monasticism and the Sermon on the Mount Bonhoeffer was convinced that through the living presence of Jesus and the explosive teachings of the Sermon on the Mount lies the force that can blow all this hocus pocus sky high like fireworks leaving only a few burnt out shells behind This is the legacy of this extraordinary theologian that this book seeks to recover exploring how this was lived out in a world full of Nazis
