(Essay Prompt: Which author has the better supported argument and why?)

Introduction Paragraph: Introduce the topic and which author has the better supported argument and why

The two articles argue about _____ (topic of both articles).
(name of 1st author) claims _____ (explain the 1st author's main claim).
_____ (name of 2nd author) claims _____ (explain the 2nd author's main claim). The author that has the better supported argument is _____ (name of the author) because he/she uses _____ (logical reasoning, statistics, survey results, facts, expert opinions, etc. – list all the types of support explained in the first two body paragraphs).

Body Paragraph 1: First reason why the author has a better supported argument

First, _____ (author's name) includes _____ (the type of support used in the 1st example of evidence that supports the main claim) to support his/her argument. He/she states that _____ (quote or explain the evidence). This is _____ (strong, effective, important, convincing, reasonable, logical) because _____ (use your own words to explain why – do not quote anyone). (Add 1-2 more explanation sentences).

Body Paragraph 2: Second reason why the author has a better supported argument

Second, _____ (author's name) includes _____ (the type of support used in the second example of evidence) to support his/her argument. He/she states that _____ (quote or explain the evidence). This is _____ (strong, effective, important, convincing, reasonable, logical) because _____ (use your own words to explain why – do not quote anyone). (Add 1-2 more explanation sentences).

Body Paragraph 3: Point out why the other author does not have a well supported argument

_____ (name of the with weak support) gives weak support for the opposite viewpoint. He/she states that _____ (quote or explain the evidence or fact of evidence). This author's support is not _____ (effective, convincing, logical, strong) because _____ (use your own words to explain why – do not quote). He/she also states that _____ (quote or explain the evidence or explain lack of evidence). This support is not _____ (effective, convincing, logical, strong) because _____ (use your own words to explain why – do not quote).

Conclusion paragraph: Restate (summarize) why 1 author has the better supported argument and why

Overall, on the topic of _____ (topic of both articles), _____ (author's name) has the better supported argument. He/she includes _____ (list all the types of strong support you said the author used) to support his/her argument. This type of support is stronger because _____ (explain using points from your explanation sentences in body paragraphs 1 and 2).

*** Do not add any new information in the conclusion paragraph.
