*Vincent Motorcycles* Philippe Guyony, Very few motorcycles have carved a mark in history like the Vincent V twin from its arrival in 1946 and up to the present day On the road in club racing in drag races or competing for land speed records it dominated the motorcycle world leading to the famous catchphrase coined by the factory The World s Fastest Standard Motorcycle It was a FACT NOT a slogan Images such as that of Rollie Free in swimming trunks laying flat on his works modified Black Shadow and taking the American motorcycle land speed record at Bonneville in 1948 have now passed into posterity In fact the big Vincent was so ahead of its time that it continued to compete successfully almost arrogantly in racing
