Mrs Pargeter's Principle Simon Brett,2015-08-01 A cozy featuring the return of Mrs Pargeter For Mrs Pargeter it is a matter of principle that she should complete any of her late husband s unfinished business Amongst the many bequests he made to her perhaps the most valuable is his little black book in which he listed all the people who ever worked for him with details of their particular skill sets This means that whenever Mrs P has a crime to solve she can readily contact someone with the relevant expertise to help in her enquiries Attending the funeral of the rich and respected Sir Normington Winthrop because his is one of the names in the little black book Mrs Pargeter sets out to discover the connection between Sir Normington and her late husband Her investigations will draw her into a shady world of gun runners shifty politicians and a kidnapped vicar AAA Olivia Meltz,2015 France December 1880 Guy de Levigne turned up the fur collar of his well worn winter coat in an effort to protect his face from the biting snow The storm had kept the villagers trapped in their homes for hours Not another soul dared to venture out He had the streets to himself just the way he wanted it He must not be seen The last few weeks had taken their toll There was so much to plan and to be carefully put into place He was nearly finished He just needed to stash one more clue as if to underline his well kept secret A sense of childish delight filled him It had been so easy His mission he smiled at the somewhat grandiose expression was almost accomplished and if he was honest he actually thought that the word mission was quite suitable Almost too easy he chuckled to himself I am not an amateur anymore but a little more excitement would not hurt Nevertheless the world would still speak in years no decades or even centuries of his
