A short research paper on Kurt Vonnegut's "Slaughterhouse Five" David Federhen,2003-04-26 Seminar paper from the year 2002 in the subject American Studies Literature grade A deutsch 1 International University in Germany Bruchsal Department of Sciences and Liberal Arts language English abstract Introduction Kurt Vonnegut Jr is considered one of the greatest American authors ever He wrote about 30 novels an uncounted number of short stories and a few essays and plays His most successful novel *Slaughterhouse Five* or *The Childrens Crusade a Duty Dance with Death* was his sixth book and published in 1969 This research paper will focus on the connection between Billy Pilgrim the main character of *Slaughterhouse Five* and the life of Kurt Vonnegut

Furthermore it will make use of this connection in order to suggest why Kurt Vonnegut wrote this book Pilgrim who is an American World War II veteran and survived the allied air raid on Dresden in early 1945 strikes the reader as a very eccentric person He believes that he has come unstuck in time Vonnegut 1991 p 23 and time travels to his childhood to his wedding to the Battle of the Bulge and to the air raid But not only that he has lost control over the temporal aspects of his life he furthermore believes that he has been kidnapped by aliens from the planet Tralfamadore and taken to their world as an exhibit in a terrarium In order to point out the close relationship between the author and the main character I will subdivide this paper into several sections shortly giving information about the author s biography and providing a quick summary of Slaughterhouse Five This information has to be considered and related in order to understand Vonnegut s motivation for writing this novel It is vital to realize that Pilgrim is Vonnegut and that whatever Pilgrim feels is what Vonnegut experienced in his life Kurt Vonnegut's Slaughterhouse-Five William Bly,1985 A guide to reading Slaughterhouse Five with a critical and appreciative mind encouraging analysis of plot style form and structure Also includes background on the author s life and times sample tests term paper suggestions and a reading list *SLAUGHTERHOUSE-FIVE* KURT VONNEGUT, JR,1969
