Nicole Katie (author),1901      **Slave Girl** Lisa Cach,2014-07-28 A sex slave who s never been touched National bestselling author Lisa Cach spins an erotic passionate novel about a young Roman Empire slave who s intended to become her king s concubine until a rugged barbarian prince takes her heart and more Lovely Nimia is a slave to King Sygarius who s grooming her to be his consort as soon as she reaches full womanhood And that time is very close Nimia is forced to attend shocking lessons in the erotic arts lessons that leave her body aroused and her mind conflicted Because while she s attracted to Sygarius s power and eroticism her spirit rebels at being his slave Then one of Sygarius s allies comes to visit Smart and ambitious Clovis burns to take over Sygarius s kingdom and the beautiful Nimia And though her virginity is meant for Sygarius Clovis takes it with her enthusiastic consent When Sygarius learns that she is no longer a virgin Nimia flees for her life But can she find Clovis before the wrath of Sygarius and imminent death finds her first      Voices from the Harem Nancy Hartwell Enonchong,2016-11-29 Reviews for Voices from the Harem If you are the parent of a teenage girl you should put this book on your must read list It is a fascinating but extremely disturbing collection of anecdotes from girls who describe how they wound up in a slave harem One reviewer said that there was too much fantasy but I think she completely missed the point A number of girls have gone insane and have retreated into fantasy worlds where they feel safe because they could no longer deal with their real lives locked away forever in a harem Carmen F This was an unexpected treat because I wasn t sure about what I was getting into All 111 girls in Prince Ibrahim s Il Giardino Posteriore harem tell their own stories of how they wound up in the harem and what they think about it Some of them tell really spooky stories about where they had been before like the girl who used to belong to a guy who flunked out of medical school but bought slaves so he could operate on people anyway Of course most of them died but he got to indulge his desire Or the one who had been in a mad scientist s laboratory and he would run bizarre experiments on the unfortunate victims there Touching moving heart breaking stories Marie C This is an excellent book describing the dreary unrewarding life of Harem Slaves Their personal stories of how the got there is both riveting and also horrifying At times it left me shaking my head in bewilderment when some of these women described their feelings towards their en slaver A fascinating read even on it s own Flavius J Horribly heartrending Jamie R I cannot believe this still goes on to this day Gripping unbelievable but most of all heart breaking I wish there was more being done to combat this Natalie S Some of the women in the harem are ones that were also ones who were killed at the Rodeo in horrible ways Some girls were killed after only being in the harem a few months for poor performance because they had trouble adjusting to having been kidnapped from their families and country Prince Ibrahim killed a girl a month just because he could Some of the women had gone quietly insane after years of being cooped up in a pretty cage with no way out Karbie

now after many years back in print This is a new and freshly published edition of this culturally important work which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside I do it with the hope that every man who reads this narrative will swear solemnly before God that so far as he has power to prevent it no fugitive from Slavery shall ever be sent back to suffer in that loathsome den of corruption and cruelty My grandmother s mistress had always promised her that at her death she should be free and it was said that in her will she made good the promise When he told me that I was made for his use made to obey his command in every thing that I was nothing but a slave whose will must and should surrender to his never before had my puny arm felt half so strong I would beg her not to worry herself on my account that there was an end of all suffering sooner or later and that whether I lived in chains or in freedom I should always remember her as the good friend who had been the comfort of my life I promised the dear old faithful friend that I would write to her as soon as I arrived and put the letter in a safe way to reach her but in my own mind I resolved that not another cent of her hard earnings should be spent to pay rapacious slaveholders for what they called their property
