Slaves And Obsession:

Slaves of Obsession Anne Perry, 2001 A William Monk novel *Slaves and Obsession* Anne Perry, 2000 In the American Civil War the opposing armies are desperate for arms A London trader selling weapons to the South faces a moral dilemma when his daughter in love with a Confederate insists he change sides When he is brutally murdered her lover is the immediate suspect William and Hester Monk must bring the pair back from the front line in America to face justice in an English court Slaves and Obsession Anne Perry, 2002 The year is 1861 The American Civil War has just begun and London arms dealer Daniel Alberton is becoming a very wealthy man His quiet dinner party seems remote indeed from the passions rending America Yet investigator William Monk and his bride Hester sense growing tensions and barely concealed violence For two of the guests are Americans each vying to buy Alberton s armaments Soon Monk and Hester s forebodings are fulfilled as one member of the party is brutally murdered and two others disappear along with Alberton s entire inventory of weapons As Monk and Hester track the man they believe to be the murderer all the way to Washington D C and the bloody battlefield at Manassas *Slaves of Obsession* twists and turns like a powder keg fuse and holds the reader breathless and spellbound *Slaves of Obsession* Anne Perry, Ritual murder mysterious disappearances and theft spur Victorian investigator William Monk and his wife Hester to investigate an arms dealer and his seemingly flawless London mansion

The Search for Anne Perry Joanne Drayton, 2016-04-05 Acclaimed literary biographer Joanne Drayton was given unparalleled access to Anne Perry her friends relatives colleagues and archives to complete this book She intersperses the story of her life with an examination of her writing drawing parallels between Perry s own experiences and her characters and storylines *The Search for Anne Perry* is a gripping account of a life and provides understanding of the girl Anne was the adult she became her compulsion to write and her view of the world **The Battle of Negro Fort** Matthew J. Clavin, 2021-05-01 The dramatic story of the United States destruction of a free and independent community of fugitive slaves in Spanish Florida In the aftermath of the War of 1812 Major General Andrew Jackson ordered a joint United States army navy expedition into Spanish Florida to destroy a free and independent community of fugitive slaves The result was the Battle of Negro Fort a brutal conflict among hundreds of American troops Indian warriors and black rebels that culminated in the death or re enslavement of nearly all of the fort s inhabitants By eliminating this refuge for fugitive slaves the United States government closed an escape valve that African Americans had utilized for generations At the same time it intensified the subjugation of southern Native Americans including the Creeks Choctaws and Seminoles Still the battle was significant for another reason as well During its existence Negro Fort was a powerful symbol of black freedom that subverted the racist foundations of an expanding American slave society Its destruction reinforced the nation s growing commitment to slavery while illuminating the extent to which ambivalence over the institution had disappeared since the nation s founding Indeed four decades after declaring that all men were created equal the United States destroyed a fugitive slave community in a

foreign territory for the first and only time in its history which accelerated America's transformation into a white republic The Battle of Negro Fort places the violent expansion of slavery where it belongs at the center of the history of the early American republic *A Dangerous Mourning* Anne Perry,1992 Inspector Monk returns to the scene of another Victorian era murder mystery when the daughter of an upper crust family is stabbed in her own home **Slaves in the New Testament** James Albert Harrill, In this exciting new analysis of slaves and slavery in the New Testament Harrill breaks new ground with his extensive use of Greco Roman evidence discussion of hermeneutics and treatment of the use of the New Testament in antebellum U S slavery debates He examines in detail Philemon 1 Corinthians Romans Luke Acts and the household codes

Slave against Slave Jeff Forret,2015-11-16 In the first ever comprehensive analysis of violence between slaves in the antebellum South Jeff Forret challenges persistent notions of slave communities as sites of unwavering harmony and solidarity Though existing scholarship shows that intraracial black violence did not reach high levels until after Reconstruction contemporary records bear witness to its regular presence among enslaved populations *Slave against Slave* explores the roots of and motivations for such violence and the ways in which slaves masters churches and civil and criminal laws worked to hold it in check Far from focusing on violence alone Forret's work also adds depth to our understanding of morality among the enslaved revealing how slaves sought to prevent violence and punish those who engaged in it Forret mines a vast array of slave narratives slaveholders journals travelers accounts and church and court records from across the South to approximate the prevalence of slave against slave violence prior to the Civil War A diverse range of motives for these conflicts emerges from tensions over status differences to disagreements originating at work and in private to discord relating to the slave economy and the web of debts that slaves owed one another to courtship rivalries marital disputes and adulterous affairs Forret also uncovers the role of explicitly gendered violence in bondpeople's constructions of masculinity and femininity suggesting a system of honor among slaves that would have been familiar to southern white men and women had they cared to acknowledge it Though many generations of scholars have examined violence in the South as perpetrated by and against whites the internal clashes within the slave quarters have remained largely unexplored Forret's analysis of intraracial slave conflicts in the Old South examines narratives of violence in slave communities opening a new line of inquiry into the study of American slavery **Universal Magnetism** Edmund Shaftesbury,1924 **The Author of Love** Joc Anderson,2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie *Oh God* The question that's begging to be answered is Who is God This devotion evolved out of one person's desire to portray God in a truer light In the Book of Job God reprimanded Job's friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotion will help you get to know the

real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you

Slave Species of the Gods Michael Tellinger, 2012-09-10 Our origins as a slave species and the Anunnaki legacy in our DNA Reveals compelling new archaeological and genetic evidence for the engineered origins of the human species first proposed by Zecharia Sitchin in *The 12th Planet* Shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA Identifies a recently discovered complex of sophisticated ruins in South Africa as the city of the Anunnaki leader Enki Scholars have long believed that the first civilization on Earth emerged in Sumer some 6 000 years ago However as Michael Tellinger reveals the Sumerians and Egyptians inherited their knowledge from an earlier civilization that lived at the southern tip of Africa and began with the arrival of the Anunnaki more than 200 000 years ago Sent to Earth in search of life saving gold these ancient Anunnaki astronauts from the planet Nibiru created the first humans as a slave race to mine gold thus beginning our global traditions of gold obsession slavery and god as dominating master Revealing new archaeological and genetic evidence in support of Zecharia Sitchin s revolutionary work with pre biblical clay tablets Tellinger shows how the Anunnaki created us using pieces of their own DNA controlling our physical and mental capabilities by inactivating their more advanced DNA which explains why less than 3 percent of our DNA is active He identifies a recently discovered complex

of sophisticated ruins in South Africa complete with thousands of mines as the city of Anunnaki leader Enki and explains their lost technologies that used the power of sound as a source of energy Matching key mythologies of the world s religions to the Sumerian clay tablet stories on which they are based he details the actual events behind these tales of direct physical interactions with god concluding with the epic flood a perennial theme of ancient myth that wiped out the Anunnaki mining operations Telling shows that as humanity awakens to the truth about our origins we can overcome our programmed animalistic and slave like nature tap in to our dormant Anunnaki DNA and realize the longevity and intelligence of our creators as well as learn the difference between the gods of myth and the true loving God of our universe
