he someday suddenly lash out at those he loved As his father's physical abuse escalated Lorenzo sought frantically for a safe place a place where he could find hope and reconciliation and peace where his father's terrible shadow no longer lingered Now decades later Lorenzo has finally come to terms with the awful truth about his father A SAFE PLACE is the brilliant result

Chasers Lorenzo Carcaterra, 2008 The use of a machine gun in a Manhattan restaurant prompts the surviving members of the Apache group to investigate a Columbian drug cartel

Three Dreamers Lorenzo Carcaterra, 2021 At sixty six Lorenzo Carcaterra finds it easier to reflect on the past than ruminate on the future By the time you reach my age he writes you have witnessed too much loss to not be aware of what lies ahead This turn to the past inspired a poignant memoir about the women who made him the man he is today His Italian grandmother Nonna Maria gave him his first taste of a loving home during the summers he spent with her as a teenager on Ischia an island off the coast of Naples With her kindness her humor and the same formidable strength she employed to make secret trips for food when the Nazis occupied Ischia during World War II she instilled in him the importance of community providing shelter for a boy whose home life was difficult His mother Raffaella dealt with daily hardships a loveless and abusive marriage the burden of debt and a life of dread Though the lessons she taught were harsh they would drive Lorenzo from the world they shared to the better one she always prayed he would find The third woman is his wife Susan a gifted editor and his professional champion Their marriage lasted three decades before her death from lung cancer in 2013 While their upbringings were wildly different their love and friendship never wavered and neither did her faith in Lorenzo's talent and potential as a writer Standing with his children near Nonna Maria's grave on a recent trip to Ischia Lorenzo realized how much of his life has been shaped by the women who taught him how to look for joy and overcome sorrow This book is his tribute to them

Paradise City Lorenzo Carcaterra, 2004-09-14 The most exciting achievement to date from the acclaimed author of Sleepers and Gangster Paradise City is a riveting thriller of two cops and two countries a stunning crime novel about the roots of revenge honor and evil As a fifteen year old Giancarlo Lo Manto learned about injustice the hard way His father was gunned down by the Camorra the murderous clan run by Don Nicola Rossi When his mother moved him from New York back to his family's ancestral home in Naples Gian found himself face to face with the source of the mob's strength the spring that spawned its deadly killers Today twenty three years later he is a dogged detective on the Naples police force homicide division the most dangerous beat in Europe He is the nemesis of all who export evil the man who stops it before it spreads overseas His efforts have not gone unnoticed The strength of Naples reinforces the muscle of New York and now the two worlds are about to collide In the highest towers of the most expensive streets of New York City Pete Rossi the son of Don Nicola has decided to bring Gian back to America permanently When Gian learns that his teenage niece Paula has gone missing in Manhattan he cancels a much needed vacation to Capri to paradise joking that one island is just as good as the other Gian's homecoming will be anything but smooth Someone must always watch his back and Detective Jennifer Fabini gets the job A gifted officer with her own

personal demons Jennifer thinks she'll be dealing with a peasant from the old country The handsome reserved unrelenting Gian is a revelation an irritant and a temptation especially for a woman who has sworn off cops as lovers Together the two must solve a disappearance that appears to be a kidnapping but turns out to be a deadly trap As they dash from the sun struck villages of Italy to the darkest drug dens of New York their journey links old world honor and modern day danger and ends in a dizzying explosion of the present and the past Paradise City is Lorenzo Carcaterra's richest entertainment a book that is at once a sensational crime novel and a provocative exploration of his trademark themes violence and innocence love and revenge
