painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevn as a strong driven woman who hasn't let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green These glimpses into Sevn's childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevn's journey of self discovery and empowerment I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevn has another taping of her show *SS Diaries* though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevn's successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevn's past that continue emerging I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevn's lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevn's memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevn's history is revealed piece by piece Both Sevn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich's background and support of Sevn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly played a role in helping Sevn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In

When Olivia Cross walks into Alexander Sterling's Manhattan empire, she's armed with a devastating secret and a three-year plan for revenge. The ruthless CEO destroyed her father's company, and now she'll seduce her way into his inner circle to tear down everything he's built, one calculated move at a time. But Alexander Sterling didn't become Wall Street's most feared predator by being easy prey. The moment their eyes meet across that glittering charity gala, he sees through her beautiful lies to the dangerous woman beneath. Two can play the game of seduction and manipulation, and he's never lost. What begins as a battle of corporate titans becomes something far more perilous: an obsession that consumes them both. In boardrooms and bedrooms, they circle each other like predators, each waiting for the other to show weakness. But the line between hatred and desire blurs when every kiss tastes like warfare and every touch promises destruction. As Olivia infiltrates Alexander's world, she discovers that revenge has a price she never calculated. The man she's meant to destroy is the only one who truly sees her, and the only one who can save her from the darkness consuming her soul. But when family secrets explode and enemies close in, they must choose between the vengeance that brought them together and the love that could tear them apart. In a world where power is everything and trust is a luxury neither can afford, two broken souls will learn that sometimes the only way to heal is to let someone else hold the knife. *Sevyns Life* MarthaK Sayz, 2024-04-14.
