*Succubus Nights* Richelle Mead, 2008-09-04 Georgina Kincaid's job sucks. Literally. Love hurts and no one knows it better than Georgina Kincaid. If she so much as kisses her new boyfriend, she'll drain his life force. Georgina is a succubus, a demon who draws her power from other men's pleasure. Admittedly, the shapeshifting and immortality perks are terrific, and yes, Georgina did choose to join the ranks of hell centuries ago. But it seems completely unfair that a she-demon whose purpose is seduction can't get hot and heavy with the one mortal who knows and accepts her for who she is. It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects that something far more demonic than double espressos is at work. She could use help finding out, but Bastien, an irresistibly charming incubus and her best immortal friend, is preoccupied in the suburbs with corrupting an ultra-conservative talk radio star and giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one, and fast, because soon Doug's life won't be the only one on the line.

**Succubus Shadows** Richelle Mead, 2010-04-01 In this urban fantasy, a malevolent force seeks to destroy a succubus as she struggles to be a bridesmaid in her ex's wedding. Georgina Kincaid has formidable powers. Immortality, seduction, shapeshifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her. Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse: that Seth is marrying another woman or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate Roman is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't, and that Hell is far from the worst place to spend eternity.
