He spends too much time with her in studio and after much effort and trying on his part outside of it too. Toni really takes her singing seriously and she has tried for a long time to make it. Frankie Billionaire Brad Powers said that I could stay at his apartment because I had a job interview. I didn't tell him or my brother his best friend the truth. I had no place to stay. Ever since I'd lost my business apartment and my car, I had been sleeping on my friend's sofa. It was supposed to be temporary, only for a few days. Days turned into weeks and before I knew it, I was stuck and felt as if I had nowhere to turn. That was until I had an interview. It meant leaving the sofa and getting my own apartment. That was the plan, but Brad came back from his business trip early and showed me another option. His intoxicating smile and chiseled abs gave me a more exciting offer. One that I couldn't refuse, especially when he got me under his sheets and told me that I was under his roof. Brad. My cock was hungry. I had a failed business trip and there she was in my apartment looking like something I could devour. I don't waste time on relationships. I have a black book that fulfills my needs. But this time was different. This time I realized that I didn't need to make a call. I had what I needed under my roof. I didn't know that after one night I would want more. That had never happened until now. Especially because she was my best friend's little sister and I wanted to make her mine. Author's Note: This book is steamy, wet, your panties hot, and it is a love story. Have no fear, there is no cliffhanger, no cheating, and it has a happy ending. This is a standalone romance novella. This book was previously published as *Under His Roof* by Jessica Evans.
