Essentials of Understanding Psychology Robert Stephen Feldman, Judy Green, Joan Elizabeth Dakin Collins, 2001 Students First Essentials of Understanding Psychology is written around the philosophy that an effective textbook must be oriented to students informing them engaging them exciting them about the field and expanding their intellectual capabilities because when students understand psychology they learn psychology No matter what brings students into the introductory course and regardless of their initial motivation Essentials of Understanding Psychology Seventh Edition draws students into the field and stimulates their thinking This revision integrates a variety of elements that foster students understanding of psychology and its impact on their everyday lives It also provides instructors with a fully integrated supplements package to objectively gauge their students mastery of psychology s key principles and concepts and to create dynamic lectures

Singing the Blues Dick Spencer, 2007 From the party s beginnings in the Territories through its convulsive 1929 campaign and first victory that year under J T M Anderson to its shadowy dissolution nearly 70 years later the Saskatchewan Conservative Part struggles for relevance and survival After their 1929 win Conservatives waiting half a century to form their next government when they won the 1982 election under Grant Devine only to be mothballed 15 years later as the new Saskatchewan Party emerged to carry the right wing banner in the province Here in Singing the Blues longtime party insider Dick Spencer writing with unique insight and perspective traces the history of one of Saskatchewan s great parties over a century of provincial politics

Enduring the Freedom Sean M. Maloney, 2005 Presents a personal inside look at Operation Enduring Freedom and the International Security Force in Afghanistan

Ideological Perspectives on Canada M. Patricia Marchak, 2011 In Ideological Perspectives on Canada Patricia Marchak builds on her earlier descriptions of Canadian reality its liberalism and socialism to argue that today s corporatism differs from its forerunners in both its values and its definition of society Marchak argues that liberalism and socialism have many commonalities such as the goals of equality and freedom for citizens Corporatism however is opposed to equality and promotes an authoritarian hierarchy resembling the older conservative ideology To support her argument Marchak provides a general overview of the study of ideologies analyzes liberalism and socialism in the context of Canada and uses Marxist theory to explain past and present class structure and the emergence of a corporatist social structure A valuable contribution

to the debate about the society we live in Ideological Perspectives on Canada attempts to look at ideologies from an objective standpoint while admitting that analysts can never fully remove themselves from the web of their own society which in the Canadian case is steeped in liberalism socialism and corporatism Explosion in Halifax Harbour David Flemming,2004-10 This book offers a definitive account of the Halifax explosion and its aftermath and the most extensive collection of images many in colour available in print In Search of Canadian Political Culture Nelson Wiseman,2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada *Families* Maureen Baker,Bettina Bradbury,2001 Overview 007 086413 2 Softcover 448 pp Copyright 2001 11 2000 41 95 Revised to ensure up to date coverage of key issues in accordance with its high academic reputation while introducing a new reader friendly design Families Changing Trends in Canada has always been a widely adopted text for the first course in Sociology of the Family Maureen Baker s aim as general editor has been to create a Canadian textbook in family studies for post secondary students which incorporates an interdisciplinary historical comparative and mainly structural perspective but which is inclusive of various theoretical perspectives The newly added pedagogical elements will engage students taking the course at universities and community colleges The fourth edition of Families reflects the evolving nature of the family by paying increased attention to gay lesbian and multicultural issues It includes updated statistics and discussion of recent legal reforms providing students with background on three censuses and other demographic surveys new studies in social history recent legal debate and the growing focus on cultural variations in families The fourth edition also offers new theoretical approaches that incorporate poststructuralist and feminist theory in order to help students understand how family gender relations and personal life have been influenced by post industrial or post modern society Most contributors are sociologists but several have formal qualifications or a research background in psychology education women s studies history and social policy The result is a text that shows that family life in Canada as elsewhere is in a constant state of change **White Ice** Thomas Aiello,Brian M. Ingrassia,2024-01-12 When NHL commissioner Clarence Campbell announced that Atlanta had received an NHL franchise ownership was tasked with selling a northern game that most of the city s Black residents had never experienced The team marketed itself to upper middle class White residents by portraying a hockey game as an exclusive event with the whiteness of the players themselves providing critical support for that claim In a city that had given Hank Aaron a cool reception and had effectively guaranteed the whitening of a successful Black basketball team the prospect of a sport with White players was an inherent draw that leaders hoped would mitigate White flight from the city and draw

residents of the surrounding suburbs back to the city center The team was ultimately marketed as the Flames a reference to William Sherman s burning of Atlanta and the city s rise from the ashes to its rightful place as a Deep South hub of culture and economy It wasn t a name with specific racial coding but with the city s racial history and the Lost Cause iconography that dotted its landscape a Civil War name could only add to the impression of a White team playing to White fans in a majority Black city Thus the politics of civic development and race combined yet again but this time in a form foreign to most longtime sports enthusiasts in the Deep South

The Corporate Transformation of Health Care Warren Salmon,2020-11-25 The author explores how the corporate transformation of hospitals HMOs and the insurance and pharmaceutical industries has resulted in reduction in services dangerous cost cutting poor regulation and corrupt research He sheds light on the political lobbying and media manipulation that keeps the present system in place Exposing the shortcomings of reform proposals that do little to alter the status quo he makes a case for a workable single payer system This is an essential read for today s practitioners policy makers healthcare analysts and providers and all those concerned with the precarious state of America s under and uninsured

Making National News Gene Allen,2014-01-31 For almost a century Canadian newspapers radio and television stations and now internet news sites have depended on the Canadian Press news agency for most of their Canadian and through its international alliances foreign news This book provides the first ever scholarly history of CP as well as the most wide ranging historical treatment of twentieth century Canadian journalism published to date Using extensive archival research including complete and unfettered access to CP s archives Gene Allen traces how CP was established and evolved in the face of frequent conflicts among the powerful newspaper publishers John Ross Robertson Joseph Atkinson and Roy Thomson among others who collectively owned it and how the journalists who ran it understood and carried out their work Other major themes include CP s shifting relationships with the Associated Press and Reuters its responses to new media its aggressive shaping of its own national role during the Second World War and its efforts to meet the demands of French language publishers Making National News makes a substantial and original contribution to our understanding of journalism as a phenomenon that shaped Canada both culturally and politically in the twentieth century

Public Corporations and Public Policy in Canada Allan Tupper,G. Bruce Doern,1981 **No Margins** Catherine Lake,Nairne Holtz,2006 Elegant tomboys academic femmes small town kisses and international dykes road trip encounters and scenes from a straight bar questions arising from an in between culture the music of travel and hotel room orgasms Crossing race culture and gender constraints No Margins leads the reader through the lushness of lesbian life and the vastness of Canadian experience

Caveman Logic Hank Davis,2009-12-30 Davis laments a modern world in which more people believe in ESP ghosts and angels than in evolution Superstition and religion get particularly critical treatment although Davis argues that religion itself is not the problem

Canadiana ,1989 **Religious Books, 1876-1982** ,1983

Relative Points of View Magda Stroinska,2001 The relationship between language and various kinds of non linguistic

behavior has been of great fascination for many of those working in the fields of cultural anthropology linguistics and philosophy or broadly understood cultural studies The authors in this volume explore this relationship in a number of cultures and social contexts and discuss the problem of linguistic relativism and its application to several areas of social interaction across cultures The authors deal with such questions as how language and culture intersect resulting in different points of view on reality that are all equally authentic and rooted in experience The question of the influence of language and culture on our perception of physical and social reality is re examined for such domains as politics commerce working with people religion and gender relations
