Where Is My Happiness? Nikki Yang, 2010-04-19 Life is like an airplane that goes really fast We are only allowed to go forward we can never turn back Time makes us old and love make us sore There's a lot of happiness in our lives but there's also much sorrow That is life That is what makes life so wonderful happiness sometimes and sadness other times Some people might think sadness is not a wonderful thing to keep and that's true But if we only had happiness without any sadness our lives wouldn't be that fun anymore I know sadness feels really bad It hurts us a lot Some people even lose their life because of tears but everybody has to have some sadness throughout life We just hope sad times go away faster and happy moments last longer Remember always smile while facing any emotional issues It'll make life a lot better Accept the truth and always trust yourself
