Sponsor Request Letter

Dear Business Owner:

Let me take this opportunity to introduce you to the **Saratoga-Wilton Youth Soccer Club**. Established in 1983, the Club has a proud tradition of developing boys' and girls' soccer skills, as well as a long history of fielding competitive teams that enjoy success locally and regionally. Even more importantly, the Club has had a positive impact on the lives of Saratoga area youth, their families, and the community.

This year, for the first time, we are offering an opportunity to local businesses like yours to become Team and/or Club Sponsors. Your contributions will be targeted exclusively to lower the growing costs of the Club's 300+ players, enabling them to fully participate in Club training programs, Capital District Youth Soccer League games, and local and regional tournaments.

The Saratoga-Wilton Youth Soccer Club is guided by a volunteer board of directors and dedicated parent volunteers. However, we are different from some other soccer clubs in that we are a small nonprofit club that does not receive any governmental or grant assistance. Our primary revenue source is registration fees paid by families, proceeds from our annual May Day tournament, and donations received from generous individuals and businesses. Since these funds do not cover all of the Club's operating expenses, families often must raise their own funds to pay for equipment, training fees, field rentals, travel, and tournament entry fees. **The average cost per player per year to participate is \$750, particularly difficult for families with more than one player and/or modest means.**

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses, family, and friends, **and offering the opportunity to help by becoming a team or club sponsor!** While any sponsorship level you select will be greatly appreciated, a donation of \$500 or more will earn you a Proud Team Sponsor Plaque with a photo of a team to display on your office wall, a valuable marketing tool as well.

Please take a moment to review and select the sponsorship package that best fits your business and budget.

Respectfully yours,

Juergen A. Klingenberg
SWYSC Marketing Director

P.S. For tax-reporting purposes, all checks **must** be made payable to the **Saratoga-Wilton Youth Soccer Club or SWYSC**. All sponsors will receive an advertising/sponsorship invoice for tax-reporting and deduction purposes based on the sponsorship level selected.

web description the lms filter block can implement an adaptive fir filter by using five different algorithms the block estimates the filter weights or coefficients needed to minimize the error e_n between the output signal y_n and the desired signal d_n the output is the filtered input signal which is the estimate of the desired signal

general block lms algorithm upm - Jul 26 2022

web introduction due to their many good performance characteristics adaptive lters have been satisfactorily used for canceling unknown interferences contained in the relevant signal of a wide range of dynamic systems for many years
