Vital Issues in the Inerrancy Debate F. David Farnell, Norman L. Geisler, Joseph M. Holden, William C. Roach, Phil Fernandes, 2016-01-14 The inerrancy of God's Word has been attacked throughout church history Today's assaults are unique since neo evangelicals now surrender to post modernistic ideas of history and historical critical ideologies that assault this vital doctrine They seek to redefine the orthodox meaning of inerrancy Since the signing of the Chicago Statements troubling signs have once again appeared in recent years among many who either did not fight the battles for the inerrancy of Scripture as did the International Council on Biblical Inerrancy or who do not remember the troubling times that caused their development The nature and definition of

inerrancy are now being changed to include ideas of fallibility History is forgotten The need arises for sounding the alarm for Vital Issues in Inerrancy Evangelical schools and churches that broke away earlier to defend inerrancy surrender now to academic prestige and scholarly fads instead of faithfulness to God's inerrant Word The contributors pray that the Lord will raise up a new generation with the spiritual fervency of the International Council on Biblical Inerrancy to uphold the inerrancy of God's Word Isaiah 40:8 The grass withers the flower fades But the word of our God stands forever **Stealth**

Altruism Arthur B. Shostak, 2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember Stealth Altruism tells of secret non-militant high-risk efforts by Carers those victims who tried to reduce suffering and improve everyone's chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B. Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration **Toys and Communication** Luísa Magalhães, Jeffrey Goldstein, 2017-10-14 There are few scholarly books about toys and even fewer that consider toys within the context of culture and communication Toys and Communication is an innovative collection that effectively showcases work by specialists who have sought to examine toys throughout history and in many cultures including 1930s Europe Morocco India Spanish art of the 16th-19th centuries Psychologists stress the importance of the role of toys and play in children's language development and intellectual skills and this book demonstrates the recurrent theme of the transmission of cultural norms through the portrayal presentation and use of toys The text establishes the role of toy and play park design in eliciting particular forms of play as well as stressing the child's use of toys to become more adult It will be beneficial for courses in education developmental psychology communications media studies and toy design **Building Leadership Character** Amy Newman, 2018-03-28 Extending beyond traditional leadership books to offer readers a path for developing their own character this compelling new text uses a storytelling approach and real-world cases to explore different dimensions of leadership character With a clear student-friendly writing style bestselling author Amy Newman deftly captures various approaches in which corporations and people respond to situations in difficult times and learn from mistakes Using real companies and situations each chapter examines a leadership character dimension such as accountability integrity authenticity and courage Readers will learn to develop their
