**Waves: a Grief Journey** Zerrin Bulut, 2018-04-26 After the unexpected loss of three family members in less than two years I was forced to reevaluate not only the meaning of family but the way in which I viewed myself in the world and my greater purpose In doing so the grieving process and the way that grieving was viewed in our culture was examined as I made my way through the deaths of my parents and older brother This memoir is a way to share my grief experience to let others know that grief is in fact normal and should be an accepted and natural part of our culture I am still working my way through and on my path and am exceedingly thankful for all those that have helped me along the way *One Ripple at a Time* Janice Jensen, 2025-07-30 A woman's inspirational memoir of the tragic death of her young child and her own courageous journey of transformation this unforgettable story will resonate deeply with anyone who has experienced loss with honest insights on working through grief resilience and reclaiming joy in life Without warning disaster strikes How does a grief stricken young mother rebuild her life and rediscover joy On a family vacation in Austria Janice Jensen's children played near a sleepy stream Suddenly the water rose catastrophically Miles upstream a power company had released a raging torrent that rushed down and swept away her young son as she watched helplessly Heartbroken Janice gave all her love and support to her surviving daughter and devastated husband as the three struggled to rebuild their lives together This life affirming memoir follows Janice's decades long journey from deepest anguish to helping others and discovering more of the world as she teaches dances and lives abroad in Colombia Syria and Saudi Arabia In a plainspoken warm and honest voice Janice shares how she survives waves of pain and finds gifts of love Over time she confronts her fear of water and builds a life that fully embraces joy And ultimately her passion for ballroom dance leads her to reconnect with her son's spirit
