Slavoj Žižek

A Critical Introduction

"This is not simply the best critical introduction to Žižek – in a much more radical sense, this is the only critical introduction to Žižek. Parker's study is much more than an important contribution to the ongoing debate: it redefines its very terms. If this work does not become a standard work of reference, the only conclusion will be that Western academia is caught in an obscure desire to self-destruct."

Slavoj Zizek A Critical Introduction Modern European Thinkers:

Slavoj Zizek Ian Parker, 2004 Simply the best critical introduction to Zizek Yannis Stavrakakis author of Lacan and the Political *Slavoj Zizek* Ian Parker, 2004 Outstanding contributors include Pierre Macherey Charles Wolfe Alex Callinicos and Judith Revel Zizek Sarah Kay, 2003-04-29 Zizek is hailed as the most significant interdisciplinary thinker of modern times His work is a powerful often explosive combination of Lacanian psychoanalysis and philosophy which tests key psychoanalytical concepts against the ideas of major European thinkers especially Hegel It has ignited enthusiasm and stimulated new approaches across a vast range of disciplines and seems to be attracting an ever growing readership In part this is because Zizek himself has a panoramic range of interests encompassing film studies literature cyber culture ethics theology and above all politics It is also because he is a highly entertaining writer having a flair for anecdote a smutty sense of humour and the knack of capturing complex ideas in concrete form Sarah Kay's book provides a lucid and comprehensive introduction to Zizek's work His writings to date are presented and evaluated here for the first time together with an outline of their development and explanations of his key premises themes and terms This book will be essential reading for students of cultural studies literary studies philosophy and social and political theory **Slavoj Zizek** Ian Parker, 2004-03-20 When I read Ian Parker's manuscript I experienced an underlying solidarity despite obvious differences we share the same basic political concerns and visions And this makes his critical remarks always pertinent Slavoj Zizek This is not simply the best critical introduction to Zizek in a much more radical sense this is the only critical introduction to Zizek Parker's study is much more than an important contribution to the ongoing debate it redefines its very terms Yannis Stavrakakis author of Lacan and the Political A sharp clear and radical analysis Christian Ingo Lenz Dunker Professor of Psychoanalytic Theory and Lacanian Psychoanalyst Sao Paulo Brazil Since the publication of his first book in English in 1989 Slavoj Zizek has quickly become one of the most widely read and contentious intellectuals alive today With dazzling wit and tremendous creativity he has produced innovative and challenging explorations of Lacan Hegel and Marx and used his insights to exhilarating effect in analyses of popular culture While Zizek is always engaging he is also elusive and even contradictory It can be very hard to finally determine where he stands on a particular issue Is Zizek Marxist or Post Marxist How seriously should we take his recent turn to Christianity Slavoj Zizek A Critical Introduction shows the reader a clear path through the twists and turns of Zizek's writings Ian Parker takes Zizek's treatment of Hegel Lacan and Marx in turn and outlines and assesses Zizek's interpretation and extension of these thinkers theories While Parker is never hastily dismissive of Zizek's innovations he remains critical throughout aware that the energy of Zizek's writing can be bewitching and beguiling as well as engaging and profound *Félix Guattari* Gary Genosko, 2009-04-20 This is an introduction to the thought of the radical French thinker Félix Guattari Guattari's main works were published in the 1970s and 1980s His background was in psychoanalysis he was trained by Lacan and he practised as a psychoanalyst for much of his life He developed a distinctive psychoanalytic method

informed always by his revolutionary politics Guattari was actively involved in numerous political movements from Trotskyism to Autonomism tackling ecological and sexual politics along the way A true believer in collectivity much of his work was written in collaboration most famously with Gilles Deleuze This is also an introduction to key concepts such as schizoanalysis transversality a signifying semiotics and various kinds of machine **Georges Bataille** Benjamin Noys,2000-05-20 This is a guide to the life and work of the French intellectual Georges Bataille best known as the author of the celebrated erotic novel *The Story of the Eye* Benjamin Noys introduces Bataille as a writer out of step with the dominant intellectual trends of his day surrealism and existentialism and shows that it was his very marginality that accounted in large part for his subsequent importance for the post structuralists and the counterculture in Europe and in the United States Treating Bataille's work as a whole rather than focusing as other studies have done on aspects of his work i e as social theory or philosophy Noys study is intended to be sensitive to the needs of students new to Bataille's work while at the same time drawing on the latest research on Bataille to offer new interpretations of Bataille's oeuvre for more experienced readers This is the first clear introductory reading of Bataille in English challenging current reductive readings and stressing the range of disciplines affected by Bataille's work at a time when interest in Bataille is growing *Chuck Palahniuk and the Comic Grotesque* David McCracken,2020-10-30 With the success of *Fight Club* his novel turned movie Chuck Palahniuk has become noticed for accurately capturing the exploitation of power in America in the 21st century With cynicism and skepticism he satirizes the manipulative aspects of ideologies and beliefs pushing society's understanding of the norm In this work Palahniuk's characters are analyzed as people who rebel against the systems in control Mikhail Bakhtin's theory is applied to explain Palahniuk's application of the comic grotesque theories from Louis Althusser and Slavoj Žižek help reveal aspects of ideology in Palahniuk's writing Religion and European Philosophy Philip Goodchild,Hollis Phelps,2017-04-13 *Religion and European Philosophy* Key Thinkers from Kant to Žižek draws together a diverse group of scholars in theology religious studies and philosophy to discuss the role that religion plays among key figures in the European philosophical tradition Designed for accessibility each of the thirty four chapters includes background information on the key thinker an overview of the main themes concepts and concerns that occupy his or her attention and a discussion of the religious and theological elements present in his or her thought in light of contemporary issues Given the scope of the volume *Religion and European Philosophy* will be the go to guide for understanding the religious and theological dimensions of European philosophy for both students and established researchers alike *Fantasy, Politics, Postmodernity* Andrew Rayment,2014-06-15 The books are true while reality is lying Championing the popular Fantasy genre on the same terms as its readers Rayment casts a critical eye over the substance and methods of political critique in the Fantasy novels of Terry Pratchett Philip Pullman and China Miéville Ranging across subjects as diverse as exquisite fundamentalism and revolutionary trains encountering pervert priests dwarf hermaphrodites and sex scarred lovers and pondering the homicidal tendencies of fairy tales and opera Fantasy

Politics Postmodernity develops a theoretically wide ranging and illuminating account of how the novels of these writers do and do not sustain politically insightful critique of the real world while bringing intellectual and ethical concerns to bear on the popular Fantasy form The British National Bibliography Arthur James Wells,2006 **A Critical Sense** Peter Osborne,2013-04-15 A Critical Sense brings together in a single volume the leading figures of contemporary radical theory Moving freely between philosophy politics and cultural studies it offers a fascinating overview of the lines of thought of today s intellectual left Marxism feminism psychoanalysis and critical theory literary studies deconstruction pragmatism postcolonial and queer theory are discussed in a series of interviews from the journal Radical Philosophy Those interviewed are Judith Butler Cornelius Castoriadis Drucilla Cornell Axel Honneth Istvan Meszaros Edward Said Renata Salecl Gayatri Chakravorty Spivak Cornel West Slavoj Žižek For those unfamiliar with the often daunting work of some of today s most important thinkers A Critical Sense will offer an ideal introduction for those already acquainted with the writings of the theorists interviewed here the collection will throw new and often surprising light on familiar ground The Coloniality of the Secular Yountae An,2023-12-15 In The Coloniality of the Secular An Yountae investigates the collusive ties between the modern concepts of the secular religion race and coloniality in the Americas Drawing on the work of douard Glissant Frantz Fanon Aim C saire Sylvia Wynter and Enrique Dussel An maps the intersections of revolutionary non Western thought with religious ideas to show how decoloniality redefines the sacred as an integral part of its liberation vision He examines these thinkers rejection of colonial religions and interrogates the narrow conception of religion that confines it within colonial power structures An explores decoloniality s conception of the sacred in relation to revolutionary violence gender creolization and racial phenomenology demonstrating its potential for reshaping religious paradigms Pointing out that the secular has been pivotal to regulating racial hierarchies under colonialism he advocates for a broader understanding of religion that captures the fundamental ideas that drive decolonial thinking By examining how decolonial theory incorporates the sacred into its vision of liberation An invites readers to rethink the transformative power of decoloniality and religion to build a hopeful future *Everything You Always Wanted to Know about Literature but Were Afraid to Ask Žižek* Russell Sbriglia,2017-02-27 Challenging the widely held assumption that Slavoj Žižek s work is far more germane to film and cultural studies than to literary studies this volume demonstrates the importance of Žižek to literary criticism and theory The contributors show how Žižek s practice of reading theory and literature through one another allows him to critique complicate and advance the understanding of Lacanian psychoanalysis and German Idealism thereby urging a rethinking of historicity and universality His methodology has implications for analyzing literature across historical periods nationalities and genres and can enrich theoretical frameworks ranging from aesthetics semiotics and psychoanalysis to feminism historicism postcolonialism and ecocriticism The contributors also offer Žižekian interpretations of a wide variety of texts including Geoffrey Chaucer s Troilus and Criseyde Shakespeare s The Merchant of Venice Samuel Beckett s Not I and William

concepts and the work of such thinkers as Alain Badiou Judith Butler Jacques Derrida and Slavoj Žižek this book uses theory to illuminate the complexities of Scott's fictions while simultaneously using Scott's fictions to explain and explore the state of contemporary theory Art History: The Basics Diana Newall, Grant Pooke, 2021-03-28 Now in its second edition this volume is an accessible introduction to the history of art Using an international range of examples it provides the reader with a toolkit of concepts ideas and methods relevant to understanding art history This new edition is fully updated with colour illustrations increased coverage of non western art and extended discussions of contemporary art theory It introduces key ideas issues and debates exploring questions such as What is art and what is meant by art history What approaches and methodologies are used to interpret and evaluate art How have ideas regarding medium gender identity and difference informed representation What perspectives can psychoanalysis semiotics and social art histories bring to the study of the discipline How are the processes of postcolonialism decolonisation and globalisation changing approaches to art history Complete with helpful subject summaries a glossary suggestions for future reading and guidance on relevant image archives this book is an ideal starting point for anyone studying art history as well as general readers with an interest in the subject

An Apostle for Atheists Ole Jakob Løland, 2023-12-28 What is a modern philosopher to make of Paul the apostle What do non Christian philosophers in Europe gain from reading ancient letters from Christianity's first great ideologue and letters addressed to groups of people lost to time To ask this question is to acknowledge that despite religious faith being regarded by many as a stage that our modern societies have left behind contemporary philosophers are confronted with questions such as multiculturalism and religious fundamentalism in the wake of immigration and the increasing presence of religious minorities The Letters of Paul have gained the interest of several philosophers and the interpretations of the apostle have taken many forms Looking closely at Paul's letters which have gained most interest from atheist philosophers The First Letter to the Corinthians and the Letter to the Romans this book offers an overview of the various ways they have been understood It pays close attention also to the readings of Paul in the three thinkers Friedrich Nietzsche and Sigmund Freud canonized as two of the great pillars of the modern critique of religion with Spinoza as one of their important predecessors Confronting these readings with insights not only from the more recent philosophical readings of the apostle but also from historical critical scholarship on the Bible this book lifts the veil over a new picture of the apostle as a figure with potential value for non Christians and atheists *An Apostle for Atheists* leaves us with ideas that compel us to reconsider Paul's negative reputation for secular modernity and appreciate him as a figure of a radically new politics as well as a renewed psychoanalysis *In Exile* Jessica Dubow, 2020-11-12 In *In Exile* Jessica Dubow situates exile in a new context in which it holds both critical capacity and political potential She not only outlines the origin of the relationship between geography and philosophy in the Judaic intellectual tradition but also makes secular claims out of Judaism's theological sources Analysing key Jewish intellectual figures such as Walter Benjamin Isaiah Berlin and Hannah Arendt Dubow presents exile as a form of

thought and action and reconsiders attachments of identity history time and territory In her unique combination of geography philosophy and some of the key themes in Judaic thought she has constructed more than a study of interdisciplinary fluidity She delivers a striking case for understanding the critical imagination in spatial terms and traces this back to a fundamental if forgotten exilic pull at the heart of Judaic thought

Philosophy, Society and the Cunning of History in Eastern Europe Costica Bradatan, 2013-09-13

Philosophy Society and the Cunning of History in Eastern Europe charts the intellectual landscape of twentieth century East Central Europe under the unifying theme of precariousness as a mode of historical existence Caught between empires often marked by catastrophic historic events and grand political failures the countries of East Central Europe have for a long time developed a certain intellectual self representation a culture that not only helps them make some sense of such misfortunes but also protects them somehow from a collapse into nihilism An interdisciplinary study of this sophisticated culture of survival and endurance has been long overdue Not only is it charming and worth studying in its own right but with the re integration of the new Europe into the old one and the emergence on the Western European intellectual scene of many authors from the East such a culture will also shape the European mind of the 21st century This volume decodes and explores this culture of precariousness from the complementary angles of philosophy political theory intellectual history and literary studies Expert contributors look at a wide range of topics from philosophical martyrdom to collective suffering to geographical fatalism and explore the works of key authors in the field including Cioran Ko akowski Kert sz Bauman and i ek This book was originally published as a special issue of Angelaki The Journal of the Theoretical Humanities
