## **Submission In Paradise:**

**Submission in Paradise** Claire Thompson, 2014-01 Paradise Islands Passion tailored for the woman with everything but time Shea Devon accepts the gift of a week at Paradise Islands expecting moonlit walks on the beach and sweet kisses over candlelight dinners Instead a mix up lands her on the company's BDSM island at the mercy of a very sexy but stern Master Liam Jordan follows the script he believes was designed expressly for the lovely young woman in his charge Thinking her resistance is part of the game she desires he subdues the sexy sassy Shea and gives her a spanking she won't soon forget with plans for so much more Liam is captivated by this woman whose submissive potential has barely been tapped Shea both intrigued and terrified by the force of her own reactions struggles with the concept of erotic submission and even more with the ultimate surrender that of the heart But now that the Pandora's box of longing and desire has been opened there is no going back for either of them

**Women between Submission and Freedom** Huda Sharawi, 2017-07-13 Women between Submission and Freedom is a cultural historical and spiritual inquiry into the nature of contemporary Eastern and Western society which highlights the gender inequality plaguing contemporary Arabian culture The author has witnessed first hand the role of cultural influences in her religion and society Her analysis begins with personal stories and everyday instances of misogynistic behavior suffered by herself and those around her The author delivers an important message about the deception and brainwashing of women in these communities She bears witness to a culture which has taught women to be submissive and accept the fact that their societal value only exists in relation and deference to men Whether through direct or indirect pressure such communities reduce the innate human value of women at the same time as the patriarchal system reduces them to virtual slavery This systematic denigration includes not only the misogynistic mentality but the historical suppression of women's ideas and creations The author explores the portrayal of women in a range of religions that employ gender based social intimidation under the cloak of religion The interpretation of these verses is based on the societal values and politics of those who lead and protect the patriarchal system To them religion is not an ethos but a weapon

**Spiritual Rebirth** Lennox Harlow, AI, 2025-02-27 Spiritual Rebirth explores the universal human quest for renewal and meaning through the lens of religion and spirituality It examines
