Franchise Opportunities Handbook, 1994 This is a directory of companies that grant franchises with detailed information for each listed franchise

The Economics of Franchising Roger D. Blair, Francine Lafontaine, 2005-04-11 This 2005 book describes in much detail both how and why franchising works It also analyses the economic tensions that contribute to conflict in the franchisor franchisee relationship The treatment includes a great deal of empirical evidence on franchising its importance in various segments of the economy the terms of franchise contracts and what we know about how all these have evolved over time especially in the US market A good many myths are dispelled in the process The economic analysis of the franchisor franchisee relationship begins with the observation that for franchisors franchising is a contractual alternative to vertical integration Subsequently the tensions that arise between a franchisor and its franchisees who in fact are owners of independent businesses are examined in turn In particular the authors discuss issues related to product quality control tying arrangements pricing location and territories advertising and termination and renewals

Foreign-Related Arbitration in China Fan Yang, 2016-03-10 This overview and analysis of current arbitration law and practice in mainland China offers critical analysis of significant Chinese arbitration law materials and key cases decided by the Supreme People's Court of the People's Republic of China PRC It also provides the full texts of around two hundred decisions of the Supreme People's Court of the PRC dating from 1990 to 2013 with enclosures of lower People's Courts decisions presented in a systematic fashion The analysis not only highlights the importance of the materials judicial interpretations and key cases but also enables readers to read mainland Chinese statutes judiciary interpretations and cases independently and confidently
