

Prefix Paul and Suffix Sam

by Debbie Borgfeld

Base words are really handy
And can stand on their own
They are words like "write"
And "love" and "phone."

Unfortunately there's a problem
With base words that stand alone.
They can't change tenses
Or become plural on their own.

What's a base word to do
When being alone is not enough?
Why not call some friends
Who are really smart and tough?

Powerful Prefix Paul
And Super Suffix Sam
Have the power to change a word
By changing its definition.

The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message The Hebrew Bible in Contemporary Fiction and Poetry is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature

Friend of God John C. Lennox, 2024-01-18 Abraham believed God and God counted him as righteous because of his faith He was even called the friend of God James 2 23 Abraham is the only character in the Bible to be described as the friend of God This comprehensive

study by John Lennox explores why Abraham is unquestionably one of the most outstanding and influential figures in world history. He had no political or military achievements and he left no literary remains yet today billions of people more than half of the world's population claim him as their spiritual father. Throughout the Bible Abraham is seen as a pivotal figure in God's plan of salvation. In this richly detailed account of his life and times John Lennox helps us to see through mists of the past to the real flesh and blood man with all his strengths and weaknesses to better appreciate all that Abraham stands for as a model of faith today.
