

The Poem Summary

Beowulf is the longest and greatest surviving Anglo-Saxon poem. The setting of the epic is the sixth century in what is now known as Denmark and southwestern Sweden. The poem opens with a brief genealogy of the Scylding (Dane) royal dynasty, named after a mythic hero, Scyld Scefing, who reached the tribe's shores as a castaway babe on a ship loaded with treasure. Scyld's funeral is a memorable early ritual in the work, but focus soon shifts to the reign of his great-grandson, Hrothgar, whose successful rule is symbolized by a magnificent central mead-hall called Heorot. For 12 years, a huge man-like ogre named Grendel, a descendant of the biblical murderer Cain, has menaced the aging Hrothgar, raiding Heorot and killing the king's thanes (warriors). Grendel rules the mead-hall nightly.

First Battle

Beowulf, a young warrior in Geatland (southwestern Sweden), comes to the Scyldings' aid, bringing with him 14 of his finest men. Hrothgar once sheltered Beowulf's father during a deadly feud, and the mighty Geat hopes to return the favor while enhancing his own reputation and gaining treasure for his king, Hygelac. At a feast before nightfall of the first day of the visit, an obnoxious, drunken Scylding named Unferth insults Beowulf and claims that the Geat visitor once embarrassingly lost a swimming contest to a boyhood acquaintance named Breca and is no match for Grendel. Beowulf responds with dignity while putting Unferth in his place. In fact, the two swimmers were separated by a storm on the fifth night of the contest, and Beowulf had slain nine sea monsters before finally returning to shore.

While the Danes retire to safer sleeping quarters, Beowulf and the Geats bed down in Heorot, fully aware that Grendel will visit them. He does. Angered by the joy of the men in the mead-hall, the ogre furiously bursts in on the Geats, killing one and then reaching for Beowulf. With the strength of 30 men in his hand-grip, Beowulf seizes the ogre's claw and does not let go. The ensuing battle nearly destroys the great hall, but Beowulf emerges victorious as he rips Grendel's claw from its shoulder socket, sending the mortally wounded beast fleeing to his mere (pool). The claw trophy hangs high under the roof of Heorot.

Second Battle

The Danes celebrate the next day with a huge feast featuring entertainment by Hrothgar's scop (pronounced "shop"), a professional bard who accompanies himself on a harp and sings or chants traditional lays such as an account of the Danes' victory at Finnsburh. This bard also improvises a song about Beowulf's victory. Hrothgar's wife, Queen Wealhtheow, proves to be a perfect hostess, offering Beowulf a gold collar and her gratitude. Filled with mead, wine, and great food, the entire party retires for what they expect to be the first peaceful night in years.

Ecumenical in scope, fair-minded in presentation, appreciative of the contributions that all the branches of the church have made to the story of what it means to develop, deliver, and listen to a sermon, *A History of Preaching* will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel. This work is expected to be the standard text on preaching for the next 30 years, says Ann K. Riggs, who staffs the NCC's Faith and Order Commission. Author Edwards, former professor of preaching at Seabury Western Theological Seminary, is co-moderator of the commission, which studies church uniting and church dividing issues. *A History of Preaching* is ecumenical in scope and will be relevant in all our churches; we all participate in this field, says Riggs from EcuLink Number 65, Winter 2004/2005, published by the National Council of Churches.

We're especially reminded of this when we receive the Sacrament of Confirmation as a teenager and choose a saint as our patron and inspiration to go forth boldly as a soldier for Christ to live and proclaim our Catholic faith. Who better than the saints and blessed to inspire us in the battle of life? In this imaginative work of historical fiction, Kevin Wilson places you inside the story of a saint or blessed, experiencing their stories as they unfold. You'll discover that holy men and women of the 20th century were courageous and battle-hardened. They fought evil but with weapons of prayer, Rosary beads, and acts of goodwill, often with similar results, and in some situations also laying down their lives for others. But they were also common people just like us, so you never know you might be talking or sitting next to a future saint. May these stories enlighten readers, especially teens and young adults, to realize the importance of holiness and rise above. As Bl. Carlo Acutis soon to be a saint, stated: All people are born as originals but many die as photocopies.
