

Dear Parents,

Your child has worked very hard this year in speech therapy! You should be very proud of their efforts.

In order to maintain the progress your child has made this year, it is important to continue practicing your child's smooth speech over the summer months. In this packet, you will find 8 weeks of fluency practice with a specific activity for your child each day. Each activity should only take 10 minutes. Please check the line next to each day to show that your child completed that task.

Have a wonderful summer! Thank you!

British Summer Time Begins Ysenda Maxtone Graham, 2020-07-09 British Summer Time Begins is about summer holidays of the mid twentieth century and how they were spent as recounted to Ysenda Maxtone Graham in vividly remembered detail by people who were there Through this prism it paints a revealing portrait of twentieth century Britain in summertime how we were how families functioned what houses and gardens and streets were like what journeys were like and what people did all day in their free time It explores their expectations hopes fears and habits the rules or lack of rules under which they lived their happiness and sadness their sense of being treasured or neglected all within living memory from pre war summers to the late 1970s Ysenda takes us back to the long stretch of time from the last days of June till the early days of September those months when the term time self was cast off and you could become the person you really were and you had if you were lucky enough hours in the endless succession of days to become good at the things that would later define your adulthood The showpiece part of the summer holidays was the summer holiday when families took off to the seaside or to grandparents houses teeming with cousins or on early package holidays to France or Spain siblings wedged into the back of small cars roof racks clattering mothers preparing picnics British Summer Time Begins is as much about the long weeks either side of that holiday as the trip itself the weeks when nothing much officially happened boredom often lurked nearby and you vanished for hours on end nobody much knowing or even caring where you were Could it be that those unscheduled days were actually the most important and formative of your life From the author of the beloved Terms Conditions British Summer Time Begins is a delightful nostalgic and joyous celebration of summers

Cinema Michael Walker,2020-03-13 This book offers a new way of thinking about film endings Whereas existing works on the subject concentrate on narrative resolution this book explores the way film endings blend together a complex of motifs tropes and other elements to create the sense of an ending that is it looks at endings as endings Drawing on a wide range of examples taken from films of different periods and national cinemas the author identifies three key features which structure the work thresholds and boundaries water and above all the beach The beach combines water and a boundary and is the

most resonant of the key sites to which film endings gravitate Although beach endings go back to at least 1910 they have increased markedly in post classical cinema and can be found across all genres and in films from many different countries As the leading example of the book s argument they illustrate both the aesthetic richness and the structural complexity of film endings

My Father's Writings Jim Durham, 2012-05-25 In many ways Jim Durham has lived the same life all of us have lived He was raised by imperfect parents involved in good and bad relationships experienced a range of religious influences and worked hard to be the best person he could be But a few critical experiences brought the essence of his life out of the shadows A chance encounter led him to a college he couldn't locate on a map although Durham claims there is no such thing as coincidence The death of a son and the challenges of raising a special needs child are just a few of the powerful influences on his writing His decision to leave the full time practice of law start a new career and eventually start his own business are all addressed in *My Father's Writings* You will learn lessons he learned share in the struggles he endured You will find references to writers and inspirational leaders ranging from Samuel Johnson the Reverend Peter Gomes and Wayne Dyer to Ram Dass Nelson Mandela Buddha and Jesus Christ
