Summer Flambegrave The Rachael Obrien Chronicles Book English Edition:

Summer of Fire (Black River Chronicles Book 1) L G Surgeson, 2021-04-21 It is a Time of Legends It is a Time for Heroes It is Time for Last Stands To speak of a time before the Summer of Fire a time truly before the cacophony of events that chose to confluence in those short months is to speak of a time more than four hundred years gone by Very few have a genuine understanding of what lead to the time known as the Summer of Fire of the rising powers that had grown with the patience of mountains over centuries Only in looking back could scholars completely understand the full scale of events that preceded it It is particularly difficult to distinguish what came before as this is a relative term Each individual will have a point in time that they consider to be the time before after which their life will have irrevocably changed General consensus suggests that by 1099 AC it was already too late But for some it started long before that For some of them will live some of them will die and some of them will last forever , A Summer to Remember (videorecording) , 1984
