

The first integrated worldview and Bible survey curriculum for middle school students.

About Walking in Truth:

Walking in Truth is an integrated worldview and Bible survey curriculum specifically designed to meet the challenges that middle school students face today as they develop and grow their own faith.

Grade 6 covers the Christian worldview. The lessons teach the Christian answers to the big questions about God, people, the universe, truth, and right and wrong. The Bible Survey section is an in-depth study of the book of Acts.

Grade 7 discusses three of today's most dominant worldviews (Islam, new spirituality and naturalism). Students will learn the tenants of these worldviews, compare them to a biblical worldview and explain why those competing worldviews fall short. The Bible Survey section, examines the book of Romans, and 1 and 2 Corinthians.

Grade 8 focuses on the Christian aspect of several disciplines such as theology, philosophy, ethics, sociology, and biology. Lessons teach students how they would make decisions as a Christian in various situations. The Bible Survey section addresses much of the rest of the New Testament.
