

The image shows two main components of a Sunbeam CAFE Series Grinder against a solid orange background. On the left is a large, black, circular plastic housing, which is the outer shell of the grinder. It has a central opening where the grinding mechanism is located. On the right is a smaller, black, circular grinding stone or burr. It has a central hole and a series of sharp, pointed teeth around its circumference. A semi-transparent dark horizontal band runs across the middle of the image, containing the text.
