Gale,2000-11-09 The Georgics has for many years been a source of fierce controversy among scholars of Latin literature Is the work optimistic or pessimistic pro or anti Augustan Should we read it as a eulogy or a bitter critique of Rome and her imperial ambitions This book suggests that the ambiguity of the poem is the product of a complex and thorough going engagement with earlier writers in the didactic tradition Hesiod Aratus and above all Lucretius Drawing on both traditional philological approaches to allusion and modern

theories of intertextuality it shows how the world views of the earlier poets are subjected to scrutiny and brought into conflict with each other Detailed consideration of verbal parallels and of Lucretian themes imagery and structural patterns in the Georgics forms the basis for a reading of Virgil s poem as an extended meditation on the relations between the individual and society the gods and the natural environment Oregon Historical Quarterly ,1901 Quarterly of the Oregon Historical Society Oregon Historical Society,1901 **Proceedings of the Oregon Historical Society** Oregon Historical Society,1900 Vol 1 includes the Proceedings of the meeting for organization held Dec 17 1898 *Proceedings of the Oregon Historical Society Including ... the Quarterly Meetings of the Board of Directors, and the ...
