Denkins, 2013-08-27 My undisciplined Life is a story that trails my life my journey It's about a little boy who didn't quite fit in and felt he was never wanted For him love never existed because he never felt it It was as if his life was taken before he was given a chance to have one This book was written because I know I'm not the only man not to exclude women because I'm sure they experienced this feeling of unwantedness also But I'm not the only one to feel lost or to ask the question why was I allowed to enter this world and feel like I'm out of place God has a reason for all of us being here Some of us feel the pain more than others Some of us set it so deep within that we have not a clue as to who we really are which sets us up for insecurities self consciousness isolation and living as well as becoming a lie just to fit in I pray this testimony allows u to release you from you Sometimes your situations are reflections of the mess you created Thank you sincerely Enjoy the read May our Father who is in heaven bless you Shatner Michael Seth Starr, 2019-12-16 In the early months of 1966 a handsome hardworking thirty five year old Canadian born actor named William Shatner was cast as Captain Kirk in Star Trek a troubled low budget science fiction television series set to premiere that fall on NBC Star Trek struggled for viewers and lasted only three seasons but it found a huge rabidly dedicated audience when it premiered in syndication following its cancellation turning Shatner into a pop culture icon and launching him on a career path he never could have imagined after graduating from McGill University with an economics degree twenty years earlier As he approaches his ninetieth year he's still working at a furious pace as a man of boundless contradictions by turns one of the most dissected disliked revered respected mocked imitated and beloved stars in the show business firmament Shatner takes a comprehensive look at this singular performer using archival sources and information culled from interviews with friends and colleagues to transport readers through William Shatner's remarkably bumpy career his spectacular failures and triumphs tragedies including the shocking death of his third wife Nerine and ultimately the resilience Shatner has shown time and again in the face of overwhelming odds Author Michael Seth Starr unravels the mystery of William Shatner stripping away the many myths associated with his personal life and his relationships with fellow actors presenting a no holds barred unvarnished look at the unique career of an inimitable performer My Senior Year Michael Fitzgibbons, 2000-12-20 Hey I'm John Sullivan a recent high school graduate who collected his thoughts and dreams and hopes and fears and all kinds of other stuff in a year long diary through his senior year When I finished on graduation day I realized I had quite a collection as a matter of fact I had more than 400 pages So I thought about it and realized that it had a beginning a middle and an end so therefore it told a complete story which I think might be a book if I remember my sophomore literature class correctly I am NOT saying it is literature ha ha but I do think it is a book That is where you come in I don't think it is much of a book if I'm the only one who reads it It is just a diary then that will remain on the floppy disk in my computer desk in my bedroom

Instead you could read it And tell me what you think And then I will know if I should have left it in that computer desk Or not If you do read it you ll find that I didn t leave anything out even the stuff that might embarrass me I could even still get into some trouble about some of it but I think I m ok because I don t think my parents will want to read it because they were there for almost all of it so it would be a rerun for them I don t think reruns are bad but they already lived through this once so they probably don t want to get all upset allover again So go ahead and click away It was an adventure for me come on along for the ride John Sullivan is right This is quite an undertaking for a senior in high school But that is what it is a diary a coming of age novel a satire and incredibly a love story It is a unique look at one of the most important developmental periods in a person s life *The Plan* Linda Lyle,2014-01-01 If a grown woman can have a crush then Kyle is it for Rachel Grant Desperate for his attention Rachel concocts a plan to catch Kyle s eye Suddenly her plan pays off and Kyle asks her out But then her professor friend Dr Randall Harris invites her to a lecture and dinner and Rachel finds herself drawn to him After a few dates Rachel begins to wonder what she saw in Kyle Randy is the kind of man she s always dreamed about But her original attachment won t go quietly Whom will she choose Kyle the man she s always wanted or Randy the man in whom she confides Her plan has backfired and three lives are about to be whirled in different directions Only the hand of God can bring peace and make Rachel s choice obvious *The Mental ABCs of Pitching* H.A.
