But the Hall is falling into disrepair and threatened with closure. Dr Bakewell has so far failed to save his beloved school, can his pupils step in and save the day? One Year in King City High School Cristian Saileanu, 2013-02-10. John Holbrook, one of the heroes of this book, once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body. You see the rash on your arms and you might think that it's the skin that's sick when actually the disease is somewhere deep inside and it is only reflected in the skin. Or conversely, when the skin is silky, smooth, soft, and supple and pleasant to the touch, it's because the entire inside of the body is healthy. It has just occurred to me that I have written a book to illustrate what John said. I must confess that at times, in order to better move the story along, two or three real life persons have been shoved into one or one person has been split up into two. Chronology has not been always rigorously followed, either, and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader. Wait, did I say fiction? I'll take that back. For this is not a fictional book. The stories, all of them, without any exception, the stories, they are true. And if they sometimes seem far fetched, it's only because many times reality is stranger than fiction and also more pitiless and more brutal. I have kept some of the original quizzes, essays, newspaper articles, and classroom drawings to give the book its well deserved air of authenticity. If you are a teacher, you will read the book and nod in agreement. If you are a parent, now you know a teacher's life is not the bowl of cherries you always thought it was. If you are a principal or a superintendent, you will naturally want to burn the book in the public square. This book is a mirror and you will not like what you see. Some of the real names of the characters have been maintained.

Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka Camar n and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher s lounge But don t lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian
