Smuggling Drugs Into Prison English Edition:

Life on Drugs in Iran Nahid Rahimipour Anaraki, 2022-08-22 When they initiated a war on drugs in 1979 Iran developed a reputation as having some of the world's harshest drug penalties and as an opponent of efforts to reform global drug policy. As mass incarceration failed to stem the growth of drug use, Iran shifted its policies in 1990 to introduce treatment regimens that focus on rehabilitation. While most Muslim countries and some Western states still do not espouse welfare-oriented measures, Iran has established several harm reduction centers nationwide through the welfare system for those who use substances. In doing so, Iran moved from labeling drug users as criminals to patients. In *Life on Drugs in Iran*, Anaraki moves beyond these labels to explore the lived experience of those who use and have used illicit substances and the challenges they face as a result of the state's shifting policies. Gaining remarkable access to a community that has largely been ignored by researchers, Anaraki chronicles the lives of current and former substance users in prisons, treatment centers, and NGOs. In each setting, individuals are criminalized, medicalized, and marginalized as the system attempts to normalize them without addressing the root cause of the problem. Drawing upon first-hand accounts, Anaraki's groundbreaking study takes an essential step in humanizing people with substance abuse issues in Iran.

Drugs and Crime Serge Brochu, Natacha Brunelle, Chantal Plourde, 2018-03-13 Discussing illegal drugs without taking into account its criminal context is a difficult proposition. Certain questions come back repeatedly: Does doing drugs really lead to delinquency? Do some drugs have criminal properties? Why would a drug addict turn to crime? What are the best methods of intervention in dealing with individuals who have serious drug habits? The third edition of *Drogue et criminalité: Une relation complexe* (Les Presses de l'Université de Montréal) translated here for the first time in English presents an overview of the complex relationship between drugs and crime, avoids cursory affirmations to the effect that psychoactive substance use necessarily leads to crime. It also sheds light on the political and legislative contexts tied to drugs and offers an exceptional synthesis of the research literature of the past 20 years. The authors also discuss the increased attention to illegal drug users and people with addictions and describe the different supports that are available to them. This book is published in English. *Concevoir la question des drogues illicites en dehors de leur contexte criminel est difficile. Certaines questions reviennent inmanquablement: prendre de la drogue pousse-t-il vraiment à la délinquance? Existe-t-il des drogues aux propriétés criminelles? Pourquoi un toxicomane se tourne-t-il vers la criminalité? Quelles sont les meilleures façons d'intervenir auprès des personnes qui ont de graves problèmes de consommation? Cette troisième édition présente la relation complexe entre drogue et criminalité, évitant les non-sens sommaires qui voudraient que l'usage de substances psychoactives mène nécessairement au crime. Elle met ainsi en lumière les contextes politiques et législatifs aux drogues et fait une synthèse exceptionnelle des résultats de la recherche des vingt dernières années. Les auteurs rendent compte de l'importance accrue qu'on accorde désormais aux usagers de drogues illicites ainsi qu'aux personnes dépendantes et ils décrivent les différentes formes d'aide qui leur sont proposées. Ce livre est publié en anglais.*

A Priest Behind Bars Marcelo Blázquez Rodrigo,2009-06 A Priest Behind Bars is an intriguing autobiographical novel by Fr Marcelo Blázquez Rodrigo a Spanish Roman Catholic priest who spent over a quarter of a century in the United States as a prison chaplain and counselor on the inside He worked in some of the harshest maximum security New York State correctional facilities including Coxsackie and Comstock Blázquez brings the fascinating stories of New York inmates into the light Each chapter tells the story of a different prisoner from a Vietnam vet drug addict

with AIDS to a convicted rapist who nearly dies as a result of a self imposed hunger strike in defense of his religious convictions This book openly criticizes the New York penal system and offers exclusive insight into its inner workings from the perspective of a first hand witness of the atrocities of prison life **Drugs in Society** Michael D. Lyman,2013-11-28 This work focuses on the many critical areas of America s drug problem providing a foundation for rational decision making within this complex and multidisciplinary field Broken up into three sections Understanding the Problem Gangs and Drugs and Fighting Back topics covered include the business of drugs and the role of organized crime in the drug trade drug legalization and decriminalization legal and law enforcement strategies an analysis of the socialization process of drug use and abuse and a historical discussion of drug abuse that puts the contemporary drug problem into perspective **Why Our Drug Laws Have Failed** James Gray,2010-08-05 A devastating indictment of the War on Drugs *Hearings, Reports and Prints of the Senate Committee on Labor and Public Welfare* United States. Congress. Senate. Committee on Labor and Public Welfare,1970 Thailand, Not Enough Graves Human Rights Watch (Organization),2004 **Prisons, Punishment, and the Family** Rachel Condry,Peter Scharff Smith,2018-11-10 Every year millions of families are affected by the imprisonment of a family member Children of imprisoned parents alone can be counted in millions in the USA and in Europe It is a bewildering fact that while we have had prisons for centuries and the deprivation of liberty has been a central pillar in the Western mode of punishment since the early nineteenth century we have only relatively recently embarked upon a serious discussion of the severe effects of imprisonment for the families and relatives of offenders and the implications this has for society This book draws together some of the excellent research that addresses the impact of criminal justice and incarceration in particular upon the families of offenders It assembles examples of recent and ongoing studies from eight different countries in order to not only learn about the secondary effects and collateral consequences of imprisonment but also to understand what the experiences and lived realities of prisoners families means for the sociology of punishment and our broader understanding of criminal justice systems While punishment and society scholarship has gained significant ground in recent years it has often remained silent on the ways in which the families of prisoners are affected by our practices of punishment This book provides evidence of the importance of including families within this scholarship and explores themes of legitimacy citizenship human rights marginalization exclusion and inequality *Pan-African Issues in Drugs and Drug Control* Anita Kalunta-Crumpton,2016-03-03 Popular war on drugs rhetoric postulates drug use in the West as the product of the drug production and trafficking roles of non western societies and non western peoples within and outside the West In such rhetoric African societies and people of African descent in Africa and in Diaspora have received criticisms for their respective roles in drug production and drug trafficking including the position of many African countries as transit routes for drugs exported to the West By contrast the abuse of drugs by populations of African origin around the globe and the harmful consequences of the drug trade and drug abuse on these populations has been little studied Drawing

on contributions from seven countries in Africa two countries in Europe and seven countries in the Americas this volume examines the relationships between drug use drug trafficking drug controls and the black population of a given society Each chapter examines the nature and pattern of drug use or abuse the effects of drug use or abuse illegal or and legal on other areas such as health and crime the nature pattern and perpetration of trafficking and sale of illegal or and legal drugs and past and current policies and control of illegal and or legal drugs It will be essential reading for all students academics and policy makers working in the area of drug control
