Vulva Massage Techniques Altar Baikal, 2023-06-27 This book is about clitoral vaginal based manual sexual stimulation techniques that are indispensable for female orgasm but rarely used in casual relationships In the book these applications are not only explained in detail there are also scientific reports showing the necessity and causality of these practices The clitoris which many people do not really know is a sex organ average of 9 cm length embedded in the pelvic region It is also

possible to stimulate it through the vulva There are also under recognized pleasure points on the vulva and vagina The book covers the techniques that can be used to stimulate the clitoris and the vulva in general in an easy to understand manner Better sex means a happier relationship Therefore to give the best orgasms of her life to his lover or wife becoming a master lover who uses the sex techniques that women miss to learn about the female body anyone who wishes to take the first step towards Tantra will benefit from the book The book will also be interesting to women because many scientific reports show that what they know about their bodies but which is not widely accepted is true **The G-Spot, The Clitoris & A**

Woman's Orgasm : The Secret Connection Between All Three T.K. Hereford,2014-02-02 To say that there is a lot of confusion about what the G spot is how it works and how it can be stimulated to produce powerful orgasms would be a huge understatement Many women have trouble finding their G spot Some women even doubt its existence However many women will tell you that they ve found theirs achieved orgasm during sex and do so regularly In the end we re all at a very minimum curious about the G spot and how it fits into our sex lives Why all the confusion Simply put it comes from of a lack of information frank discussion and open and honest communication This book aims to clear all that up In a common sense approach that includes anatomy developmental biology homespun wisdom deductive reasoning and personal experience author T K Hereford will help you to understand the secret connections between the G spot the clitoris and a woman s orgasm This book will offer any reader male or female deeper insight into a woman s body and how women orgasm This book also goes into detail about how you and your partner can communicate and potentially achieve powerful orgasms during intercourse in your own bedroom **Clitoris Stimulation - Advanced Techniques to Sexually Please a Woman**

Francisco Bujan,2011-10-12 Mastering sex is one of the most challenging experiences you can face in life Why Because it s not like you can just go to the sex gym and train these skills Sex is still VERY taboo and information and training on this topic doesn t circulate freely This book is here to answer a need My goal is to give you a simple set of techniques to bring her to incredible ecstatic orgasmic experiences The most powerful and direct way to do that is not through intercourse It is through skilled clitoris stimulation In this book I show you exactly how to do just that I share with you key pitfalls you can face when massaging her yoni how to find how much pressure she needs how fast you should move how exactly do you position yourself for best results and comfort Should you bring her to climax or can you get her to ride the orgasm wave for extended periods of time How to communicate with her while you focus on her clitoris And so much more This powerful set of sex tactics creates profound and delightful connections with your partner She will be blown away by how much pleasure and delight you can trigger in her Honestly this is EXACTLY what millions of women out there want to experience The thing is that they usually can t find partners who are skilled in the art of clitoris stimulation So they resentfully often give up on the idea of exploring this territory Expanding your sexual space to integrate these techniques is a profound and binding experience for your couple It opens a whole new energy and pleasure space in your relationship If you are a woman longing to experience

these ecstatic orgasmic feelings subtly get this book for your partner and get him to learn these techniques If you are a guy who feels stuck in his love life get it to develop these skills and expand your sexual mastery I have seen how women respond to this type of clitoris stimulation It's like tapping in a gold mine of unlimited pleasure I do believe that many women are anxiously waiting for their partners to develop that skill They simply are ashamed or don't know how to ask Next time you want to engage in romantic play surprise her with these new techniques She will be blown away by the pleasure you can unleash in her with just the simple gentle touch of your finger
