War in a Bottle Joseph Luxum,2012-07 The Supernatural Power of Peace All people contain DNA Recent studies have revealed that genes remember the past and to a certain extent can influence the present The environment in which we live influences not only the development of our psyche but also the overall disposition in which genes play a larger role than previously thought In Matthew 5 9 Jesus declared Blessed are the peacemakers for they will be called sons of God Just as the Word suggests it is not the war makers that are blessed but the peacemakers Whatever we scarcely pay attention to as being unattractive and not dramatic enough to grab our attention God chose to astound the world First Corinthians 1 25 says The foolishness of God is wiser than men and the weakness of God is stronger than men This book deals with the supernatural nature of peace which actually heals and restores More than ever before the modern lifestyle robs us of peace as a result people seek an escape from stress Some find it in chemical substances others in time off relaxation or meditation But there is

a peace that surpasses human understanding Like walking firebombs which are bottles filled with petrol ready to go off some people go through life without any purpose As the title of this book suggests the bottle must be emptied of all flammable substances for only then one will find the much sought after commodity which is the healing and restoring power of peace

Christianity for 'Know-Nots' Leslie R. Toliver, 2013-02-25 Words are powerful Words hold weight Words can educate you or confuse you They can bring joy or pain faith or fear Words unlock the mysteries of life Did you know that your words have creative power Did you know that what you don't know about Christianity can hurt you As a Christian you owe it to God and to yourself to know as much as you can about your relationship with Him Gods Word directs us to be able to explain why we believe what we believe Christianity for Know Nots will help you This book is designed to help believers and non believers to understand the meanings of words used in the Holy Bible and among Christian believers If this were a course it would be called Christianity 101 How much do you know about Christianity **The Unknown God, a Sermon [on Acts xvii. 23].**

William Carleton, 1882 **Creating Eartheaven in Your Life** **Profound Transformation of Your Soul** David H.

Fastiggi, 2014-05-17 Creating Eartheaven in Your Life is unique and it is innate in all human beings Humanity's quest for a wholesome peaceful life goes unabated Our search for our better self that identifies with the reality of the world we live in all too often filled with grief and stress is juxtaposed with faith and hope for change or a miracle Do we just have faith expecting God will deliver humanity from the ills we have caused Should we just buckle down and be practical seeking solution with our rational self What kind of God do we actually know or are we seeking a relationship with an image of God taught to us What is the divine matrix and does a personal God speak to us Science stands for one view of creation and faith stands for another Is there a joining point of the two Has our species Homo sapiens stalled out in evolutionary development Is the world becoming a village of cooperation and mutual peace seeking Can we continue the way we have been and survive our own arrogance What is the future of faith religion and spirituality The author in a comprehensive way takes us on a journey to

explore answers to these questions and much more Eartheaven is a paradigm of integration between the souls development and our biological body and by extension all creation He delves into scientific reality while preserving in the beginning God created Creating Eartheaven in Your life is a deep exploratory of the souls life in the experience of hurt and suffering and the potential for there to be personal divine human embodiment and therefore earth peace Through ten fundamental teaching combining Jesus words of two thousand years ago an Aramaic understanding the authors revelatory experience in an apparition of Jesus his 44 years life experience psychology and science your reading and learning experience will be a challenge and liberation of the soul Profound transformation is needed and this codex offers the leverage needed to shift our life course towards personal awakening and transformation as well as providing a blue print for future generations Creating Eartheaven in Your Life brings us into universal principles of life a meeting for humanity without walls This volume of two addresses specifically transformation of the soul heaven unfolding Volume two addresses transformation of the body representing the earth and thus eartheaven Granted this book is not an easy read but proves to be a strong mirror reflecting back to us our lives and what we can become fulfilling humanitys evolutionary life potential and perhaps vital to our survival as a people

Others downplay or even ignore the idea. With such divergent views, how are Christians supposed to know the truth about demonic forces at work in this world? *The Invisible War* examines what every believer needs to know about Satan, demons, and spiritual warfare, offering a balanced look at this controversial subject. This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer. Now repackaged for a new generation, *The Invisible War* offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves.

Fiction Victor Hugo, 1894 *To the Unknown God* Frederick D. Gorini, 2008-05

Yes, you can know God. The Holy Scriptures stand the test of time as a loving invitation from the Creator of the universe to enter into an intimate relationship with Him. Take another step on your journey into truth. Let insight into God's Word, the two-edged sword of the Spirit, cut through the thousands of years of religious counterfeit that has dimmed the vision of those whose hearts long to know Him. Your next step in coming to the knowledge of God may be in your hands right now. As the apostle Paul said concerning the quest to know the Unknown God: Him I preach to you. Go ahead, scan the main points at the end of each chapter, and make your decision to accept the invitation. You will be gently ushered by the Spirit of revelation into the mysteries of the kingdom of God.

Pastor Fred Gorini is a loving husband and father who, along with his covenant wife of 33 years, founded a local church in Daytona Beach, Florida, 25 years ago. A strong believer in the local church, Pastor Fred continues to serve at Rock Church of Daytona Beach. The dedicated pastoral staff and elders there are preparing the next generation to walk in uncompromised Biblical truth. Pastor Fred's visionary teachings are seasoned with prophetic insight that has edified the local church in his own community as well as in many relationally networked congregations around the United States of America. His revelation of the Word of God has been tested and proven not only in the United States but also in several nations of South America, Asia, and Africa. Regardless of the many challenges the local church is facing in its desire to manifest the kingdom of God on earth, Pastor Fred insists that the true gospel really is good news for whosoever will believe.
