Williams, Wendy D. Bokhorst-Heng, 2016-07-08 This book engages readers in thirteen conversations presented by authors from around the world regarding the role that textbooks play in helping readers imagine membership in the nation Authors voices come from a variety of contexts some historical some contemporary some providing analyses over time But they all consider the changing portrayal of diversity belonging and exclusion in multiethnic and diverse societies where silenced invisible marginalized members have struggled to make their voices heard and to have their identities incorporated into the national narrative The authors discuss portrayals of past exclusions around religion ethnicity sexual orientation as they look at the shifting boundaries of insider and outsider This book is thus about who we are not only demographically but also in terms of the past especially how and whether we teach discredited pasts through textbooks The concluding chapters provides ways forward in thinking about what can be done to promote curricula that are more inclusive critical and positively bonding in increasingly larger and more inclusive contexts Multiparty Democracy in Zimbabwe Aaron Rwodzi, 2024-03-26 This book provides a comprehensive account of the tumultuous political landscape of Zimbabwe Delving into historical and contemporary perspectives the author analyses the relationship between the ruling ZANU PF party and the opposition exposing the pervasive influence of foreign powers and their regime change agendas Amidst western imposed economic sanctions the book examines how political opposition has struggled to maintain its footing in the face of ZANU PF s rhetoric on preserving the nation s sovereignty Drawing on the powerful theoretical frameworks of Gramsci s hegemony theory and instrumentalism the book dissects the constraints on multiparty democracy under ZANU PF s rule From the party s manipulation of liberation narratives to the subtle intricacies of Mugabeism a violent and ideological stronghold the author unveils the tactics employed to maintain power The chapters uncover the pivotal role played by the military throughout Zimbabwe s history from the days of the liberation struggle to the shocking events of 2017 when Mugabe s grip on power was diminished by the very force that had propped him up for decades the author reveals how the military s involvement has thwarted opposition players attempts to claim power Boldly challenging the notion that constraints solely rest on ZANU PF this book calls attention to the shortcomings of opposition parties in navigating Zimbabwe s treacherous political landscape Using compelling evidence and unparalleled analysis the book is an essential read for those seeking to understand the intricate web of power manipulation and struggle that has defined Zimbabwe s political journey **Zimbabwe** Brian

Education and Development in Zimbabwe Edward Shizha, Michael T. Kariwo, 2012-01-01 The book represents a contribution to policy formulation and design in an increasingly knowledge economy in Zimbabwe It challenges scholars to think about the role of education its funding and the egalitarian approach to widening access to education The nexus between education democracy and policy change is a complex one The book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the Zimbabwean experience The book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on Zimbabwe's colonial and postcolonial education Currently literature on current educational challenges in Zimbabwe is lacking and there is very little published material on these ideological effects on educational development in Zimbabwe This book is likely to be one of the first on the impact of social political and economic meltdown on education The book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in Africa particularly Zimbabwe Notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community Shizha and Kariwo's book is an important and illuminating addition on the effects of social political and economic trajectories on education and development in Zimbabwe It critically analyses the crucial specifics of the Zimbabwean situation by providing an in depth discourse on education at this historical juncture The book offers new insights that may be useful for an understanding of not only the Zimbabwean case but also education in other African countries Rosemary Gordon Senior Lecturer in Educational Foundations University of

Zimbabwe Ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in Zimbabwe This engagingly written portrayal will prove illuminating not only to readers interested in Zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education Handel Kashope Wright Professor of Education University of British Columbia **History**

Facing Global Environmental Change Hans Günter Brauch, Navnita Chadha Behera, Patricia Kameri-Mbote, John Grin, Úrsula Oswald Spring, Béchir Chourou, Czeslaw Mesjasz, Heinz Krummenacher, 2009-06-04 The year 2007 could perhaps accurately be described as the year when climate change finally received the attention that this challenge deserves globally Much of the information and knowledge that was created in this field during the year was the result of the findings of the Fourth sessment Report AR4 of the Intergovernmental Panel on Climate Change IPCC which were disseminated on a large scale and reported extensively by the media This was the result not only of a heightened interest on the part of the public on various aspects of climate change but also because the IPCC itself proactively attempted to spread the findings of its AR4 to the public at large The interest generated on the scientific realities of climate change was further enhanced by the award of the Nobel Peace Prize to the IPCC and former Vice President of the US Al Gore By taking this decision in favour of a leader who has done a great deal to create awareness on c mate change and a body that assesses all scientific aspects of climate

change and disseminates the result of its findings the Norwegian Nobel Committee has clearly drawn the link between climate change and peace in the world A Social History of the Shona Novel Emmanuel Chiwome,1996 **TARGET MH-CET (MBA / MMS) 2022 - Past Papers (2007 - 2021) + 5 Mock Tests 13th Edition** Disha Experts, The Thoroughly Updated 13th edition of Target MH CET 2022 book covers Previous Solved Papers 2007 to 2021 and 5 Mock tests as per latest pattern The solution to each and every question has been provided The Past Papers will guide you in terms of understanding the Pattern Types of Questions their Level of Difficulty Thus in all there are 14 Past Papers as the MH CET paper was not held in 2013 5 Mock tests designed exactly as per the pattern of the 2021 MH CET exam Each Mock Test contains 200 questions on the 3 sections Section I Logical Abstract Reasoning 100 Section II Quantitative Aptitude 50 Section III Verbal Ability Reading Comprehension 50 The detailed solution to the questions are provided immediately after the tests A total of 3700 MCQs with explanation *Maharashtra CET-MBA 2021 with Solved Papers & Mock Papers* RK Jha,2020-08-06 Maharashtra Common Entrance Test MHT CET 2020 is a state level common entrance test for the admission to PG Courses After clearing the MHT CET test a candidate qualifies for admission to all MBA MMS courses in the state of Maharashtra The exam is conducted through online mode i e Computer Based test comprises of objective type questions Maharashtra CET MBA 2020 with Solved Papers Mock Papers is designed as a complete reference Manual for this exam has been prepared to meet all the needs of the students who are taking this exam This book provides comprehensive treatment of all four sections i e Logical Reasoning Abstract Reasoning Verbal Ability Reading Comprehension and Quantitative Aptitude is the distinguishing feature of the book The treatment of the subject matter is according to subject level required for MBA MMS CET and according to the test pattern It also includes the Solved Papers 2019 2006 3 Mock Tests that gives 100% detailed explanation so that students can understand the question paper pattern types of important questions and concepts provided in every question help them to understand easily and make them absolutely exam ready **TABLE OF CONTENT** Solved Papers 2019 2006 Mock papers Crack MHT CET MBA Mock 1 3 **Maharashtra CET-MBA 2020 with Solved Papers & Mock Papers** RK Jha,2019-11-30 Maharashtra Common Entrance Test MHT CET 2020 is a state level common entrance test for the admission to PG Courses After clearing the MHT CET test a candidate qualifies for admission to all MBA MMS courses in the state of Maharashtra The exam is conducted through online mode i e Computer Based test comprises of objective type questions Maharashtra CET MBA 2020 with Solved Papers Mock Papers is designed as a complete reference Manual for this exam has been prepared to meet all the needs of the students who are taking this exam This book provides comprehensive treatment of all four sections i e Logical Reasoning Abstract Reasoning Verbal Ability Reading Comprehension and Quantitative Aptitude is the distinguishing feature of the book The treatment of the subject matter is according to subject level required for MBA MMS CET and according to the test pattern It also includes the Solved Papers 2019 2006 3 Mock Tests that gives 100% detailed explanation so that students can understand the question paper pattern
