International Handbook of Urban Education William T. Pink,George W. Noblit,2008-09-03 It is evident that urban education has become the central focus of educators at the present time In the U S for example almost one third of all school age children attend schools in large urban school districts It is in these urban schools where the diversity of cultures and languages is highest and where student learning is most problematic What has emerged from recent work to improve urban schools is the insight that there is no one size fits all panacea Rather we have discovered that the local context shapes in critically important ways what will be effective at the school level The universality of the problematics with urban education together with the importance of understanding the local or situated context of improvement interventions brings into sharp focus the importance and timeliness of an undertaking like the International Handbook of Urban Education An important focus of the

International Handbook of Urban Education will be the interrogation of both the social and political factors that lead to different problem posing and subsequent solutions within each region An important question to be answered for example is what it takes in terms of resources political will and policy actions to improve urban education **Facets of Power**,2023-01-10 The diamond fields of Chiadzwa among the world s largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwa s diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the country s security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses Facets of Power is the first comprehensive account of the emergence meaning and profound impact of Chiadzwa s diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the mineral s secretive and violent beneficiaries If the lessons of resistance have been mostly disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them **Facets of Power** Richard Saunders,Tinashe Nyamunda,2016-04-18 The diamond fields of Chiadzwa among the worlds largest sources of rough diamonds have been at the centre of struggles for power in Zimbabwe since their discovery in 2006 Against the backdrop of a turbulent political economy control of Chiadzwass diamonds was hotly contested By 2007 a new case of blood diamonds had emerged in which the countrys security forces engaged with informal miners and black market dealers in the exploitation of rough diamonds violently disrupting local communities and looting a key national resource The formalisation of diamond mining in 2010 introduced new forms of large scale theft displacement and rights abuses Facets of Power is the first comprehensive account of the emergence meaning and profound impact of Chiadzwass diamonds Drawing on new fieldwork and published sources the contributors present a graphic and accessibly written narrative of corruption and greed as well as resistance by those who have suffered at the hands of the minerals secretive and violent beneficiaries If the lessons of resistance have been mostly disheartening ones they also point towards more effective strategies for managing public resources and mounting democratic challenges to elites whose power is sustained by preying on them **Validating Technological Innovation** David Coniam,Peter Falvey,2016-04-02 This book discusses Hong Kong s use of onscreen marking OSM in public examinations Given that Hong Kong leads the way in OSM innovation this book has arisen from a recognised need to provide a comprehensive coherent account of the findings of various separate but linked validation studies of onscreen public examinations in Hong Kong The authors discuss their experience of the validation process demonstrating how high stakes innovation should be fully validated by a series of research studies in order to satisfy key stakeholders **Africa, UK, and**
