The Handbook of Social Work and Social Development in Africa Mel Gray, 2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective

Health sector contributions towards improving the civil registration of births and deaths in low-income countries, 2021-06-22 **Electoral Politics in Zimbabwe, Vol II** Esther Mavengano, Sophia Chirongoma, 2023-08-08 Volume two of *Electoral Politics in Zimbabwe The 2023 Election and Beyond* argues that research into Zimbabwe's politics is multifaceted and topical particularly because for more than two decades now this Southern African state has been dogged by multiple problems including hyperinflation drought escalating poverty levels extremely high unemployment rates and political instabilities The volume's overall goal is to ignite intellectual discussions and practical action towards turning the political wheels that have been in place for decades The first segment examines the interface between gender and electoral politics in Zimbabwe The second part discusses the role of the media in Zimbabwe's electoral politics The third section reflects on the role of traditional leaders and religious discourses in Zimbabwe's electoral politics The book will be a key resource to colleges universities and organisations in Zimbabwe the Southern Africa region and even beyond Citizenship in Africa Bronwen Manby, 2018-11-29 *Citizenship in Africa* provides a comprehensive exploration of nationality laws in Africa placing them in their theoretical and historical context It offers the first serious attempt to analyse the impact of nationality law on politics and society in different African states from a trans continental comparative perspective Taking a four part approach Parts I and II set the book within the framework of existing scholarship on citizenship from both sociological and legal perspectives and examine the history of nationality laws in Africa from the colonial period to the present day Part III considers case studies which illustrate the application and misapplication of the law in practice and the relationship of legal

and political developments in each country Finally Part IV explores the impact of the law on politics and its relevance for questions of identity and belonging today concluding with a set of issues for further research Ambitious in scope and compelling in analysis this is an important new work on citizenship in Africa , **Political Discourse in Emergent, Fragile, and Failed Democracies** Orwenjo, Daniel Ochieng, Oketch, Omondi, Tunde, Asiru Hameed, 2016-04-19 Any system of government is comprised of several dimensions of functionality which must all work in congruence When any part of the system is dysfunctional the government's stability becomes fractured and societal problems can arise Political Discourse in Emergent Fragile and Failed Democracies examines the effects of unstable democratic systems of government in modern society providing an imperative analysis on political communications from such nations Highlighting real world examples on the constraints seen in malfunctioning or emerging governments this book is a pivotal reference source for policy makers researchers academicians and upper level students interested in politics and governance **Advances in Business,**

Management and Entrepreneurship Ratih Hurriyati, Benny Tjahjono, Ikuro Yamamoto, Agus Rahayu, 2020-01-06 The GCBME Book Series aims to promote the quality and methodical reach of the Global Conference on Business Management Entrepreneurship which is intended as a high quality scientific contribution to the science of business management and entrepreneurship The Contributions are the main reference articles on the topic of each book and have been subject to a strict peer review process conducted by experts in the fields The conference provided opportunities for the delegates to exchange new ideas and implementation of experiences to establish business or research connections and to find Global Partners for future collaboration The conference and resulting volume in the book series is expected to be held and appear annually The year 2019 theme of book and conference is Creating Innovative and Sustainable Value added Businesses in the Disruption Era The ultimate goal of GCBME is to provide a medium forum for educators researchers scholars managers graduate students and professional business persons from the diverse cultural backgrounds to present and discuss their researches knowledge and innovation within the fields of business management and entrepreneurship The GCBME conferences cover major thematic groups yet opens to other relevant topics Organizational Behavior Innovation Marketing Management Financial Management and Accounting Strategic Management Entrepreneurship and Green Business

Extractives Industry Law in Africa Damilola S. Olawuyi, 2018-09-11 The book provides a systematic examination of the legal fiscal and institutional frameworks for the commercial development of petroleum and solid mineral resources in Africa First it considers the values assumptions and guiding principles underpinning legislation and governance in Africa's extractive sector It then provides detailed and comparative evaluations of regulatory frameworks pricing local content procurement sales and contractual arrangements across African extractive industries Further the book assesses how questions of business and human rights risks accountability corporate social responsibility waste and pollution control environmental justice and participatory development have been addressed to date and how they could be addressed better in

the future Enhancing readers understanding of the geography sources and scope of extractive resources in Africa the book explains how corporations can effectively identify mitigate and prevent legal and business risks when investing in African extractive industries Lastly it discusses the innovative legal strategies and tools needed to achieve a sustainable and rights based extractive industry Written in a user friendly style the book offers a valuable resource for corporations investors environmental and human rights administrators advocates policymakers judges international negotiators government officials and consultants who advise on or are interested in petroleum and solid mineral investments in Africa It also offers students and researchers an authoritative guidebook to the current state of extractive industry laws and institutions in Africa Numerous examples of how international legal norms could be used to help revitalize the underlying legal and fiscal regimes in African extractive industries to make them more robust accountable sustainable and rights based round out the coverage

Farmers' Crop Varieties and Farmers' Rights Michael Halewood, 2016-03-21 Over the last 50 years there has been a growing appreciation of the important role that farmers play in the development and conservation of crop genetic diversity and the contribution of that diversity to agro ecosystem resilience and food security This book examines policies that aim to increase the share of benefits that farmers receive when others use the crop varieties that they have developed and managed i e farmers varieties In so doing the book addresses two fundamental questions The first question is how do farmer management practices along with other factors such as environment and the breeding systems of plants affect the evolution and maintenance of discrete farmers varieties The second question is how can policies that depend on being able to identify discrete plant varieties accommodate the agricultural realities associated with the generation use and maintenance of farmers varieties This focus on discreteness is topical because there are no fixed internationally recognized taxonomic or legal definitions of farmers varieties And that presents a challenge when developing policies that involve making specific discrete farmers varieties the subject of legal rights or privileges The book includes contributions from a wide range of experts including agronomists anthropologists geneticists biologists plant breeders lawyers development practitioners activists and farmers It includes case studies from Asia Africa Latin America and Europe where in response to a diversity of contributing factors there have been efforts to develop policies that provide incentives or rewards to farmers as stewards of farmers varieties in ways that are sensitive to the cultural taxonomic and legal complexities involved The book situates these initiatives in the context of the evolving discourse and definition of farmers rights presenting insights for future policy initiatives

Freedom of Speech in International Law Amal Clooney, David Neuberger, 2024 Freedom of Speech in International Law charts the minimum protections for speech enshrined in international human rights law It not only addresses the problems facing free speech today but offers recommendations to give effect to the international law obligation to protect freedom of expression

Ambivalent Patricia Hayes, Gary Minkley, 2019-11-12 Going beyond photography as an isolated medium to engage larger questions and interlocking forms of expression and historical analysis Ambivalent gathers a

new generation of scholars based on the continent to offer an expansive frame for thinking about questions of photography and visibility in Africa The volume presents African relationships with photography and with visibility more generally in ways that engage and disrupt the easy categories and genres that have characterized the field to date Contributors pose new questions concerning the instability of the identity photograph in South Africa ethnographic photographs as potential history humanitarian discourse from the perspective of photographic survivors of atrocity photojournalism the nuanced passage from studio to screen in postcolonial digital portraiture and the burgeoning visual activism in West Africa As the contributors show photography is itself a historical subject it involves arrangement financing posture positioning and other kinds of work that are otherwise invisible By moving us outside the frame of the photograph itself by refusing to accept the photograph as the last word this book makes photography an engaging and important subject of historical investigation Ambivalent s contributors bring photography into conversation with orality travel writing ritual psychoanalysis and politics with new approaches to questions of race time and postcolonial and decolonial histories Contributors George Emeka Agbo Isabelle de Rezende Jung Ran Forte Ingrid Masondo Phindi Mnyaka Okechukwu Nwafor Vilho Shigwedha Napandulwe Shiweda Drew Thompson

Seed system of Pakistan: Policy challenges and prospects Rana, Abdul Wajid, Gill, Sitara, Akram, Iqra, 2022-09-26 The seed industry in Pakistan has undergone significant developments since the 1950s and has transitioned from Green Revolution to Gene Revolution The 2015 amendment in the Seed Act 1976 and the enactment of Plant Breeders Rights Act and Rules have provided long awaited intellectual property protection for proprietary seed Notwithstanding this fundamental change the challenge of effective enforcement of intellectual property rights remains This paper presents how the seed industry has evolved over the years through evaluating the regulatory and institutional framework along with looking into the major challenges that still plague the seed system of Pakistan It also explores how the private sector can be incentivized to invest in the seed sector while protecting the farmers rights Findings reveal that there seems to be a lot of scope for strengthening the seed system of Pakistan via encouraging private sector participation mainly through developing proactive markets with strong institutional mechanism along with scientific and time bound regulatory approval framework An appraisal of the international best practices divulges that technological backstopping developing public private partnerships building institutional capacity for effective enforcement of regulatory regime and availability of information to farmers for selecting quality seed are equally vital for creating a well functioning seed system in Pakistan

Overlapping Individual and Interstate Claims in International Law Jessica Howley, 2024-08-07 Mechanisms for individuals to bring claims under international law have become increasingly common in recent decades particularly in human rights and investment law Nonetheless when the International Law Commission codified the law of State responsibility it largely ignored the bringing of international claims by individuals and the relationship between such claims and those brought on the interstate level Overlapping Individual and Interstate Claims in International Law is the first dedicated monograph examining this

relationship one that is of mounting importance on both a practical and theoretical level This work provides a comprehensive survey of the potential for overlapping individual and interstate claims to arise It underlines issues of fairness consistency and interference with autonomy that can result when multiple claimants vie to have their claims determined before different forums The author analyses in detail how treaty provisions and various rules and principles of international law can be expected to regulate such overlapping claims considering among others the local remedies rule the rule precluding double recovery *res judicata* waiver and certain circumstances precluding wrongfulness The book clarifies the nature of international claims including in the theoretically muddled field of diplomatic protection and highlights undertheorized foundations of topical debates concerning the use of countermeasures and self defence outside of the interstate arena It concludes with a human rights oriented proposal for resolving the complex policy issues to which these overlapping claims give rise

Govern Like Us M. A. Thomas, 2015-05-05 In the poorest countries such as Afghanistan Haiti and Mali the United States has struggled to work with governments whose corruption and lack of capacity are increasingly seen to be the cause of instability and poverty The development and security communities call for good governance to improve the rule of law democratic accountability and the delivery of public goods and services The United States and other rich liberal democracies insist that this is the only legitimate model of governance Yet poor governments cannot afford to govern according to these ideals and instead are compelled to rely more heavily on older cheaper strategies of holding power such as patronage and repression The unwillingness to admit that poor governments do and must govern differently has cost the United States and others inestimable blood and coin Informed by years of fieldwork and drawing on practitioner work and academic scholarship in politics economics law and history this book explains the origins of poor governments in the formation of the modern state system and describes the way they govern It argues that surprisingly the effort to stigmatize and criminalize the governance of the poor is both fruitless and destabilizing The United States must pursue a more effective foreign policy to engage poor governments and acknowledge how they govern

Biological Hazards in Food Maria Schirone, Pierina Visciano, Rosanna Tofalo, Giovanna Suzzi, 2017-03-07 The ingestion of food containing pathogenic microorganisms i e bacteria and their toxins fungi viruses and parasites can cause food borne diseases in humans A growing number of emerging pathogens changes of virulence of known pathogens and appearance of antibiotic resistance has recently exposed consumers to a major risk of illness Also infected people and the environment can spread microorganisms on raw or processed food Outbreaks of food borne diseases are often unrecognized unreported or not investigated and particularly in developing countries their agents and sources are mostly unknown Surveillance and analytical methods aiming at their detection are to be hoped as well as good strategies to struggle against these threats This E book is subdivided in chapters regarding to pathogenic and spoiling microorganisms chemical hazards produced by biological agents and food safety management systems

Consolidated guidelines on person-centred HIV strategic information World Health

Organization,2022-07-29 These consolidated guidelines are aimed at supporting the generation of responsive person centred data from routine national health management information systems across the HIV cascade from prevention testing and treatment to longer term health care They build upon the 2017 Consolidated guidelines on person centred HIV patient monitoring and case surveillance which describe information that should be collected in primary HIV patient monitoring tools and the 2020 Consolidated HIV strategic information guidelines which cover aggregate indicators for managing and monitoring programmes The purpose of this guideline consolidation is to provide the recommended data elements indicators and guidance on data systems and their use across the spectrum of health sector HIV services in one place This document focuses on strengthening the analysis and use of routine data at each stage of the cascade and emphasizes addresses person centred HIV prevention testing and treatment integration of HIV related infections the use of routine surveillance data to measure impact and the development and use of digital health data systems and their governance It also identifies the gaps and limitations in these data and the need for strengthening the use of data in all HIV related strategic information including population based surveys modelling community led monitoring and other sources

Update on diagnostic and prognostic biomarkers for women's cancers Ming Yi,Ying Luo,Yujiao Deng,2023-08-01 [African Indigenous Medical Knowledge and Human Health](#) Charles Wambebe,2018-01-29 Despite the relevance of and empirical evidence for African

Traditional Medicine based on African Indigenous Medical Knowledge AIMK research and development of new phytomedicines from this continent has been slow African Indigenous Medical Knowledge and Human Health aims to provide a catalyst for health innovations based on the rich African biodiversity and AIMK The book documents some of the success stories from the continent related to AIMK and serves as a one step reference for all professionals interested in the research and development of medical interventions including pharmacognosists ethnobiologists botanists phytochemists pharmacologists and medical scientists

Cumulated Index Medicus ,1997 **Secured Transactions Law Reform in Africa** Marek Dubovec,Louise Gullifer,2019-10-31 Over the last few decades many countries have reformed their secured transactions law One of the main reasons has been the clear link between reform and the availability of credit and the drive to improve access to finance particularly for micro small and medium sized enterprises This book focuses particularly on developing economies in Africa which have legal frameworks influenced by English French Belgian Roman Dutch and other laws Reform in this area of law across African countries has taken a number of forms which are explored and discussed in this book Secured Transactions Law Reform in Africa is a mixture of a critical description of the pre reform law and practice and the reform process itself It also includes a comparative analysis of the legal provisions and an examination of the early results of the reforms The book sets out a road map for the future of secured transactions reform primarily in Africa but also in other countries that have undertaken or are contemplating similar reforms This book is the second in a series of books about Secured Transactions Law in countries around the world and its reform both on a national and an international scale

The first book Secured Transactions Law Reform Principles Policies and Practice was published in 2016

The Enigmatic Realm of **Zimsec S June 2015 Registration**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Zimsec S June 2015 Registration** a literary masterpiece penned by way of a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.

Zimsec S June 2015 Registration Introduction

In today's digital age, the availability of Zimsec S June 2015 Registration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Zimsec S June 2015 Registration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Zimsec S June 2015 Registration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Zimsec S June 2015 Registration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Zimsec S June 2015 Registration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Zimsec S June 2015 Registration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Zimsec S June 2015 Registration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Zimsec S June 2015 Registration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Zimsec S June 2015 Registration books and manuals for download and embark on your journey of knowledge?

FAQs About Zimsec S June 2015 Registration Books

1. Where can I buy Zimsec S June 2015 Registration books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Zimsec S June 2015 Registration book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
