Zombie Wants To Go To College:

Zombie Wants... to Go to College Michael Goodwin, Emily Chen, 2014-11-27 Want to go to Stanford Harvard MIT Yale or other Ivy League schools Tens of thousands of high school students have wished this every year but never in the history of college admissions has a zombie wanted to until now And here s how this zombie Zombie did it Going to the best colleges not only means earning stellar grades and test scores but also writing a compelling interesting and unique personal essay that helps the admissions offices understand how you think and how you can contribute to society So what do you do You can either bang your head and your keyboard painfully thinking about what to write or you can take this one of a kind fill in book and discover through a fun and simple way what you want to write about in no time This is the first college admissions essay book of its kind No other one is like it Since Zombie is the first zombie ever to want to go to college this book is appropriately the first to approach the writing process without throwing at you a dry boring encyclopedia of words So go ahead take this book around everywhere It s meant to be abused Sleep with it under your pillow Brush your teeth with it Photobomb someone with it Watch a movie together preferably comedies Zombie doesn t like how zombies are portrayed in popular media Make a funny YouTube video with it Protect it from prying eyes Just don t do one thing leave it blank [Zombies Scare Me 100](#) I.
