Zrp Intake In March:

Security and Routing in Wireless Networks Yang Xiao, Jie Li, Yi Pan, 2005 With the advance of wireless networks building reliable and secured network connections is becoming extremely important On the other hand ad hoc networks become especially important and have many useful applications The primary focus of this book is to present these two hot and rapidly evolving areas in wireless networks Security and scheduling routing in wireless networks remain challenging research problems due to the complexity involved How to develop more efficient and reliable wireless networks remains a hot research area It is this realisation that has motivated the editing of this book The goal of the book is to serve as a reference for both security in wireless networks and channel access scheduling and routing in ad hoc networks In this book the authors review important developments and new strategies for these topics Important features and limitations of methods and models are identified Consequently this book can serve as a useful reference for researchers educators graduate students and practitioners in the field of wireless networks This book contains 14 invited chapters from prominent researchers working in this area around the world All of the cha

GMOs, Consumerism and the Global Politics of Biotechnology Munyaradzi Mawere, Artwell Nhemachena, 2017-08-16 Despite sustained continental and national struggles for autonomy sovereignty and independence in postcolonial Africa the continent is increasingly embattled by the forces of globalisation which threaten African identity that is at the core of African struggles for continental and national unity Situating the debates in the contemporary discourses on decoloniality global consumerism global food apartheid and the challenges and prospects of the emergent sharing economies this book critically examines the importation use and implications of genetically modified organisms GMOs and other such non food products on African bodies institutions and cultures The book poses questions about how Africa can be decolonised both politically and in terms of global food apartheid and the dehumanising importation and use of foreign non food products some of which militate against the ethos of African identity Renaissance and indigeneity On note the book urges the African continent to ensure the safety of imports ensuing from the global flows and circulations that are mired in the resilient invisible global matrices of power

Report of the workshop on fisheries other effective area-based conservation measures in Latin America and the Caribbean, 27-29 March 2023 Food and Agriculture Organization of the United Nations, 2024-05-28 In view of the importance of other effective area based conservation measures OECMs for biodiversity and the need to improve individual countries capacity to report fisheries related OECMs and understand how the fisheries sector contributes to current and future area based biodiversity conservation objectives FAO has been carrying out a series of activities to support countries to identify and implement OECMs Author These activities include the organization of workshops and the development of practical guidance as requested by FAO s Committee on Fisheries COFI Author With the support of the Organizaci n del Sector Pesquero y Acu cola del Istmo Centroamericano Organization of the Fisheries and Aquaculture Sector of the Central American Isthmus OSPECA FAO organized the workshop

on other effective area based conservation measures in fisheries related areas in Latin America and the Caribbean Author The workshop was held on 27 28 March 2023 in the city of San Jos Costa Rica Author This workshop supported Member Countries of the Commission for Small scale and Artisanal Fisheries and Aquaculture of Latin America and the Caribbean COPPESAALC as well as regional and national fisheries related organizations in the Latin American and Caribbean regions to i apply CBD criteria for the identification of OECMs ii understand the challenges opportunities and needs that arise in the identification of fisheries related OECMs and iii synthesize lessons learned and obtain recommendations Author To achieve these objectives topics discussed included concepts and criteria for the identification evaluation and reporting of OECMs examples of OECMs in the world conservation strategies in Latin America and the potential contribution of OECMs to these the framework for fisheries governance and area based management in Latin America Argentina s progress in recognizing OECMs and the presentation of four case studies carried out in Chile Costa Rica Guatemala and Mexico Author The workshop enabled extensive exchanges on the difficulties of interpreting the concepts and criteria for the identification evaluation and reporting of OECMs as well as the key points challenges and difficulties in analysing and considering potential OECMs Author Proceedings ,2001 Location Management and Routing in Mobile Wireless Networks Amitava Mukherjee,Somprakash Bandyopadhyay,Debashis Saha,2003 Annotation The most common complaints of today s cell phone users are poor reception a lost signal that cuts off a call and the inability to put a call through Today s wireless providers struggle to ensure these problems do not occur This book is an in depth examination of two of the hottest research areas relating to these challenges location management and mobile wireless routing **The World Factbook** ,1994 **The ... Dept. of the Air Force,1987 **Civil Society in Zimbabwe** Mandlenkosi Mpofu,Dion Nkomo,Kirk Helliker,2025-09-01 This book considers the historical and spatial dimensions of civil society in Zimbabwe s Matabeleland region an area suffering from severe development and democratic deficits over many decades Transcending an organisational conception of civil society and a simplistic state civil society dualist understanding it recognises the dynamic character of civil society as a social space inclusive of less formalised associational forms of collective life as well as the colonial character and legacies of civil society both analytically and empirically This book facilitates a nuanced understanding of the specificities of the social political and economic evolution of Matabeleland in colonial and post colonial Zimbabwe and the region s troubled relations with the central state Historically it traces civil society in Matabeleland from the region s resistance against the colonial settler state to contemporary struggles for justice given the unresolved Gukurahundi legacy Civil society is depicted as constituted by a set of complex and shifting struggles for justice not simply between Matabeleland

and the central state but also internally within Matabeleland along multiple fault lines including class and culture The relevance of understanding civil society in Matabeleland for Zimbabwe and Africa more widely is brought to the fore The book will be of interest and value to scholars of civil society politics and democratisation across the African continent
