Amano,2004-06-21 One in every four Americans believes in reincarnation according to a recent Gallup poll Why does our society have such a growing preoccupation with death and past life experiences Authors Norman L Geisler and J Yutaka Amano conclude that among the reasons for the popularity and influence of reincarnation philosophy are the rapid rise of the New Age Movement and society s fascination with Eastern thought They examine cases of spontaneous past life recall and point out alternative explanations for these phenomena Ultimately *The Reincarnation Sensation* shows that the doctrine of reincarnation is contrary to the Bible s teaching about eternal life and incompatible with the Christian faith **Roundtable**

Nights Theophilus Monroe,2024-04-03 What if all your nightmares came true The mare used to be contained in people s dreams Now it takes flesh when you wake It disappears as soon as it completes its task killing its host How can I possibly catch or kill a monster that only emerges from one s sleep I can t figure out how it s choosing its victims There s not a thread I can follow to figure out who it will strike next My only chance to beat the monster will be to lure it into my dreams and kill the damned thing before it gets away There s no guarantee the mare will take the bait But if I don t kill it soon more people will die And it won t stop until it destroys everyone *Roundtable Nights* is the second book in the new Druid Detective Agency urban fantasy series Elijah and Emilie already went through one adventure Now ten years after *The Druid Legacy* they are facing a new challenge one that will test their limits The real threat isn t the otherworldly magic the magic that once birthed life itself in Eden Annwn There was a reason why humanity was cast from the garden groves When the magic of that place comes home it won t take long to find out why The real threat was here all along hidden in human hearts now made manifest by the power of creation itself Harry Potter meets Harry Dresden in *Druid Detective Agency* You ll encounter dragons and other mythical creatures Facing them is nothing compared to fighting with monsters born of the human mind **Taking My**
