Theology for Changing Times Christopher R Baker, Elaine Graham, 2017-10-30 From wealth creation to wealth distribution and social ethics from urban mission to religious studies and psychology the work of John Atherton was breathtaking in scope and variety Unifying all of his work however was a concern with engaging the work of theology with wider society With contributions from some of the leading lights in public theology today this book offers not only an appreciation of John Atherton s work within a prodigiously large array of disciplines but also an attempt to ask what next taking his work forward and considering where the future of public theology might lie John Atherton s last published article is also reproduced

Topographic Brain Mapping of EEG and Evoked Potentials Konrad Maurer, 2012-12-06 Imaging procedures have been used for many years and are becoming increasingly important in a number of medical disciplines This is due to recent technological advances primarily computerization The methods employed in CNS diagnostics are collectively referred to as neuroimaging and include procedures for investigating both cerebral morphology and cerebral function such as computed tomography CT magnetic resonance imaging MRI positron emission tomography PET and single photon emission computed tomography SPECT Topographic mapping of electroencephalograms EEG and evoked potentials represents one of the functional procedures and permits topographic imaging of EEG evoked potentials and magnetic fields The latter application includes not only magnetic fields evoked by stimuli relating to different sensory modalities but also endogenous and motor fields resulting from spontaneous brain magnetic activity as recorded by magnetoencephalograms MEG the magnetic complement of the EEG The advantage of recording electric and magnetic fields over other neuroimaging procedures is that these techniques are completely noninvasive and have extremely short analysis times in the millisecond range The aim of this book is to clarify the current state of this emerging technology to assess its potential for substantive contributions to brain research to delineate areas for further research and overall to envisage clinical applications in disciplines such as psychiatry neurology and neuropsychology

The People of the Parables R. Alan Culpepper, 2024-03-26 Drawing from Greco Roman history Second Temple Jewish studies archaeology the social world of the New Testament parable studies and the burgeoning literature on Galilee *The People of the Parables* describes life in first century Galilee as it was experienced by the characters in Jesus parables R Alan Culpepper assesses both primary literature and recent research on Galilee including important archaeological discoveries and fashions a new and insightful social history of Galilee the people of the parables and the historical context of Jesus ministry Culpepper builds this history by elucidating the lives of first century Galileans featured in Jesus parables children women daughters mothers widows fathers sons landowners tenants day laborers debtors farmers fishermen shepherds merchants travelers innkeepers masters slaves tax collectors judges Pharisees priests Levites Samaritans bandits and finally Jesus Who these people were their place in Galilean society how they lived socialized worshiped and conducted business how they were educated is described in

straightforward nontechnical language Culpepper brings new meanings to the parables for today's readers by shedding light on the people of Galilee in the time of Jesus

Organic Church Neil Cole, 2007-04-10 Churches have tried all kinds of ways to attract new and younger members revised vision statements hipper worship contemporary music livelier sermons bigger and better auditoriums But there are still so many people who aren't being reached who don't want to come to church And the truth is that attendance at church on Sundays does not necessarily transform lives God's presence in our hearts is what changes us Leaders and laypeople everywhere are realizing that they need new and more powerful ways to help them spread God's Word According to international church starter and pastor Neil Cole if we want to connect with young people and those who are not coming to church we must go where people congregate Cole shows readers how to plant the seeds of the Kingdom of God in the places where life happens and where culture is formed restaurants bars coffeehouses parks locker rooms and neighborhoods Organic Church offers a hands on guide for demystifying this new model of church and shows the practical aspects of implementing it

2010Boston: The Changing Contours of World Mission and Christianity Todd M. Johnson, Rodney L. Petersen, Gina Bellofatto, Travis Myers, 2012-01-09 In November 2010 three hundred faculty students and others interested in Christian mission gathered in Boston to consider how the world the global church and Christian missions have changed since the World Missionary Conference in Edinburgh in 1910 and to reflect on the three previous centennial conferences Tokyo 2010 in May Edinburgh 2010 in June and Cape Town 2010 in October Participants at 2010Boston were not delegates from churches and mission agencies but were students and scholars of various aspects of world Christianity representing the Anglican Episcopal Evangelical mainline Protestant Orthodox and Roman Catholic traditions This conference volume consists of nine keynote messages five student presentations three reports from the other conferences and additional materials from or about 2010Boston The keynote messages address the history of mission especially in and from Boston and the current global context for mission and suggest modes for future Christian engagement with the world and one another Student papers address such conference themes as unity in mission mission and postcolonialism and discipleship in context The closing chapter surveys the conference's eight themes and summarizes the outcomes of the 2010Boston process

The Religious Potential of the Child Sofia Cavalletti, 1992 Publisher's description This classic book describes an experience with children from ages three to six an experience of adults and children dwelling together in the mystery of God Known as the Catechesis of the Good Shepherd this way of religious formation is profoundly biblical and sacramental and it is at the same time deeply respectful of the nature of young children who make their way to God in freedom and joy The Religious Potential of the Child is not a how to book complete with lesson plans and material ideas Instead it offers a glimpse into the religious life of the atrium a specially prepared place for children to live out their silent request Help me come closer to God by myself Here we can see the child's spiritual capabilities and perhaps even find in our own souls the child long burdened with religious

information Power in Language, Culture, Literature and Education Marta Degani, Werner Delanoy, 2023-04-24 In one of the contributions to this edited volume an interviewee argues that English is power For researchers in the field of English Studies this raises the questions of where the power of English resides and which types and practices of power are implied in the uses of English Linguists scholars of literature and culture and language educators address aspects of these questions in a wide range of contributions The book shows that the power of English can oscillate between empowerment and subjection on the one hand enabling humans to develop manifold capabilities and on the other constraining their scope of action and reflection In this edited volume a case is made for self critical English Studies to be dialogic empowering and power critical in approach **Psychopharmacology Bulletin** ,1979 *Electricity* ,1899 **Main Currents in Modern Thought** ,1971

The New York Times Film Reviews 1999-2000 New York Times Theater Reviews, 2001-12 From the Oscar winning blockbusters American Beauty and Shakespeare in Love to Sundance oddities like American Movie and The Tao of Steve to foreign films such as All About My Mother the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in The New York Times between January 1999 and December 2000 Includes a full index of personal names titles and corporate names This collection is an invaluable resource for all libraries **Leviticus** S. Tamar Kamionkowski, 2022-11-28 The book of Leviticus provides two different theologies related to God's presence within ancient Israel Leviticus 1:16 was written by an elite caste of priests P and Leviticus 17:26 H was added to the book to democratize access to God While the Priestly work has hardly inspired lay readers the Holiness Writings provide some of the most inspiring and well known verses from the Bible This volume shows how gender dynamics shift between the static worldview of P and the dynamic approach of H and that ironically as holiness expands from the priests to the people from the temple to the land of Israel gender behaviors become more highly regulated This complicates associations between power and gender dynamics and opens the door to questions about the relationships between power gender and theological perspectives Federal Energy Regulatory Commission Reports United States.
