Senator Gender, Pleasure, and Violence Agnieszka Kościńska, 2021-01-01 Behind the Iron Curtain the politics of sexuality and gender were in many ways more progressive than the West While Polish citizens undoubtedly suffered under the oppressive totalitarianism of socialism abortion was legal clear laws protected victims of rape and it was

relatively easy to legally change one's gender In *Gender Pleasure and Violence* Agnieszka Kościńska reveals that sexologists experts such as physicians therapists and educators not only treated patients but also held sex education classes at school published regular columns in the press and authored highly popular sex manuals that sold millions of copies Yet strict gender roles within the home meant that true equality was never fully within reach Drawing on interviews participant observation and archival work Kościńska shares how professions like sexologists defined the notions of sexual pleasure and sexual violence under these sweeping cultural changes By tracing the study of sexual human behavior as it was developed and professionalized in Poland since the 1960s *Gender Pleasure and Violence* explores how the collapse of socialism brought both restrictions in gender rights and new opportunities

Menstruation and Procreation in Early Modern France Cathy McClive, 2016-03-03 Early modern bodies particularly menstruating and pregnant bodies were not stable signifiers *Menstruation and Procreation in Early Modern France* presents the first full length discussion of menstruation and its uncertain connections with embodied sex gender and reproduction in early modern France Attitudes to menstruation are explored in three inter linked arenas medicine moral theology and law across the sixteenth to the eighteenth centuries Drawing on a wide range of diverse sources including court records and private documents the author uses case studies to explore the relationship between the exceptional corporeality of individuals and attempts to construct menstrual norms reflecting on how early modern individuals lay or otherwise grappled with the enigma of menstruation She analyzes how early modern men and women accounted for the function recurrence and appearance of menstruation from its role in maintaining health to the link between other physiological and bodily processes including those found in both male and female bodies She questions the assumption that menstruation was exclusively associated with women by the second half of the eighteenth century arguing that whilst sex related menstruation was not sex specific even at the turn of the nineteenth Menstruation remains a contentious topic today This book is not therefore simply a study of periods in early modern France but is also of necessity an exploration about the nature and constitution of historical evidence particularly bodily evidence and how historians use this evidence It raises important questions about the concept of certainty and about the value of observation testimony expertise the nature of language and the construction of bodily truths about the body as witness and the body as evidence

Eating the Enlightenment E.C. Spary, 2013-04-08 *Eating the Enlightenment* offers a new perspective on the history of food looking at writings about cuisine diet and food chemistry as a key to larger debates over the state of the nation in Old Regime France Embracing a wide range

of authors and scientific or medical practitioners from physicians and poets to philosophes and playwrights E C Spary demonstrates how public discussions of eating and drinking were used to articulate concerns about the state of civilization versus that of nature about the effects of consumption upon the identities of individuals and nations and about the proper form and practice of scholarship En route Spary devotes extensive attention to the manufacture trade and eating of foods focusing upon coffee and liqueurs in particular and also considers controversies over specific issues such as the chemistry of digestion and the nature of alcohol Familiar figures such as Fontenelle Diderot and Rousseau appear alongside little known individuals from the margins of the world of letters the draughts playing caf owner Charles Manoury the Turkish envoy Soliman Aga and the natural philosopher Jacques Gautier d Agoty Equally entertaining and enlightening Eating the Enlightenment will be an original contribution to discussions of the dissemination of knowledge and the nature of scientific authority

'Inward & Outward Health' Deborah Madden,2012-06-20 Inward and Outward Health is the first interdisciplinary scholarly collection to provide an in depth and new perspective on the medical and scientific activity of one of the eighteenth century s most successful and controversial theological figures John Wesley These essays written by established scholars in the field convincingly correct a persistent view of Wesley as an irresponsible religious enthusiast who confused medical science and theology The reader is given here instead a picture of someone who was a crucial admirer of Enlightenment principles a deeply pious individual who could minister to the physical and spiritual welfare of the poor applying remedies for the body or prayer for the soul as and when appropriate
