To End A War

Marco Cascella

To End A War:

To End a War Richard Holbrooke, 1999-05-25 When President Clinton sent Richard Holbrooke to Bosnia as America's chief negotiator in late 1995 he took a gamble that would eventually redefine his presidency. But there was no saying then at the height of the war that Holbrooke's mission would succeed. The odds were strongly against it. As passionate as he was, controversial Holbrooke believed that the only way to bring peace to the Balkans was through a complex blend of American leadership, aggressive and creative diplomacy, and a willingness to use force if necessary in the cause for peace. This was not a universally popular view. Resistance was fierce within the United Nations and the chronically divided Contact Group and in Washington where many argued that the United States should not get more deeply involved. This book is Holbrooke's gripping inside account of his mission of the decisive months when belatedly and reluctantly but ultimately decisively the United States reasserted its moral authority and leadership and ended Europe's worst war in over half a century. *To End a War* reveals many important new details of how America made this historic decision. What George F. Kennan has called Holbrooke's heroic efforts were shaped by the enormous tragedy with which the mission began when three of his four team members were killed during their first attempt to reach Sarajevo. In Belgrade, Sarajevo, Zagreb, Paris, Athens, and Ankara, and throughout the dramatic roller coaster ride at Dayton, he tirelessly imposed, cajoled, and threatened in the quest to stop the killing and forge a peace agreement. Holbrooke's portraits of the key actors from officials in the White House and the U.S. State Department to the leaders in the Balkans are sharp and unforgiving. His explanation of how the United States was finally forced to intervene breaks important new ground, as does his discussion of the near disaster in the early period of the implementation of the Dayton agreement. *To End a War* is a brilliant portrayal of high wire, high stakes diplomacy in one of the toughest negotiations of modern times. A classic account of the uses and misuses of American power, its lessons go far beyond the boundaries of the Balkans and provide a powerful argument for continued American leadership in the modern world. 7

Steps to End War & Save the Planet Steve Ratzlaff, 2008-04-17 A pacifist's timely and passionate manifesto addressing the issue of global warming. Utopia, as Ratzlaff explains, is not some unattainable oasis but rather a world without war and with a balanced global habitat that can sustain future generations. Rank and file Americans need to be able to comprehend what global warming is all about, the author writes, in order to grasp what will happen if we fail to take immediate steps to combat it. The book is not a scientific treatise bogged down with academic language but rather a pacifist's simple approach to solving one of the world's most difficult dilemmas. Employing a minimum of hard data to explore melting ice caps, rising sea levels, changing weather patterns, and ocean currents, Ratzlaff effectively illustrates the cause and effect relationship between human activity and the planet's well-being. While Al Gore answered the hows and whys of global warming in *An Inconvenient Truth*, Ratzlaff illustrates the imminent need for vast governmental and political changes and he explains the consequences of ignoring the obvious threat to our planet. The author states that one of the biggest problems with the current approach to

global warming is the tendency of advocates to ignore the significant role of population growth. Additionally, at the roots of global warming lay nationalism, religious wars, and the military industrial complex. Ratzlaff outright blames governments and corporations for the current situation. After demonstrating the various successes of the United Nations in heading off global conflicts, the author concludes that the UN is the only organization capable of becoming a fully empowered international governing body. Yet, handcuffed by its current structure, it can do nothing more than cast environmental resolutions that are often ignored. Unlike other books that attempt to tackle major global issues rather than pointing out the problems and offering no solutions, Ratzlaff rounds out each of the seven steps with definitive alternatives in his *If I Were President* summaries. A thorough yet easy to comprehend take on global warming. KIRKUS REVIEWS *The Will to End War*, Arthur Deerin Call, 1920

To End a War Richard C. Holbrooke, Contains primary source material

The End of War Paul K. Chappell, 2010 The *End of War* builds upon Paul K. Chappell's previous work with brilliant insight and lucid prose in order to identify the root cause of war, the most difficult artform, living how to live and why to live, and a true toolbox of skills and wisdom to begin the process of building a peaceful world.

How to End a War Graham Parsons, Mark Wilson, 2023-03-09 Treats the challenges of moving from a state of war to post war as central to military ethics, strategy, and law

To End a War Willard Barnes, 1968

Ethics Beyond War's End Eric Patterson, 2012-03-02 The wars in Afghanistan and Iraq have focused new attention on a perennial problem: how to end wars well. What ethical considerations should guide war's settlement and its aftermath? In cases of protracted conflicts, recurring war, failed or failing states, or genocide and war crimes, is there a framework for establishing an enduring peace that is pragmatic and moral? *Ethics Beyond War's End* provides answers to these questions from the just war tradition. Just war thinking engages the difficult decisions of going to war and how war is fought. But from this point forward, just war theory must also take into account what happens after war ends and the critical issues that follow: establishing an enduring order, employing political forms of justice, and cultivating collective forms of conciliation. Top thinkers in the field, including Michael Walzer, Jean Bethke Elshtain, James Turner Johnson, and Brian Orend, offer powerful contributions to our understanding of the vital issues associated with late and post conflict in tough real world scenarios that range from the US Civil War to contemporary quagmires in Afghanistan, the Middle East, and the Congo.

Commanders Digest, 1969-11 A publication of the Department of Defense to provide official and professional information to commanders and key personnel on matters related to Defense policies, programs, and interests, and to create a better understanding and teamwork within the Department of Defense

Feminist Solutions for Ending War Megan MacKenzie, Nicole Wegner, 2021-11-20 War is a man's game, or so goes the saying. Whether this is true or not, patriarchal capitalism is certainly one of the driving forces behind war in the modern era. So, can we end war with feminism? This book argues that this is possible and is in fact already happening. Each chapter provides a solution to war using innovative examples of how feminist and queer theory and practice inform pacifist treaties, movements, and methods from the

international to the domestic spheres The contributors propose a range of solutions that include arms abolition centring Indigenous knowledge economic restructuring and transforming how we count civilian deaths Ending war requires challenging complex structures but the solutions found in this edition have risen to this challenge By thinking beyond the violence of the capitalist patriarchy this book makes the powerful case that the possibility of life without war is real

Exiting war Romain Fathi,Margaret Hutchison,Andrekos Varnava,Michael Walsh,2022-01-18 Exiting war explores a particular 1918 20 moment in the British Empire s history between the First World War s armistices of 1918 and the peace treaties of 1919 and 1920 That moment we argue was a challenging and transformative time for the Empire While British authorities successfully answered some of the post war tests they faced such as demobilisation repatriation and fighting the widespread effects of the Spanish flu the racial social political and economic hallmarks of their imperialism set the scene for a wide range of expressions of loyalties and disloyalties and anticolonial movements The book documents and conceptualises this 1918 20 moment and its characteristics as a crucial three year period of transformation for and within the Empire examining these years for the significant shifts in the imperial relationship that occurred and as laying the foundation for later change in the imperial system How to End the War , **Congressional Record** United States. Congress,1968 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The War That Will End War (The original unabridged edition) H. G. Wells,2023-12-29 In The War That Will End War H G Wells presents a prescient and incisive exploration of the global conflicts that defined the early 20th century particularly World War I Written in 1914 this unabridged edition retains Wells characteristic blend of speculative fiction and social commentary engaging readers in discussions about the futility of war and the ideal of lasting peace Wells employs a mix of impassioned rhetoric and analytical observation challenging his contemporaries to rethink their assumptions about militarism and the potential for a unified world order His prophetic vision reflects the disillusionment felt by many in the face of modern warfare encapsulating the zeitgeist of a society on the brink of transformative change H G Wells often referred to as the father of science fiction was deeply influenced by his own experiences and the tumultuous socio political landscape of his time His career spanned debates about socialism technology and the human condition all of which colored his vision of the world s future Wells advocated for international cooperation and disarmament events which shaped his narrative in this compelling and thought provoking text The War That Will End War remains strikingly relevant today offering insightful reflections on the nature of conflict and the enduring quest for peace This book is essential reading for those interested in history political science and literature as it not only illuminates the past but also provokes critical discussions about the future of humanity **The Publishers Weekly** ,1919 *War and*

Punishment H. E. Goemans, 2000-08-20 What makes wars drag on and why do they end when they do Here H E Goemans brings theoretical rigor and empirical depth to a long standing question of securities studies He explores how various government leaders assess the cost of war in terms of domestic politics and their own postwar fates Goemans first develops the argument that two sides will wage war until both gain sufficient knowledge of the other s strengths and weaknesses so as to agree on the probable outcome of continued war Yet the incentives that motivate leaders to then terminate war Goemans maintains can vary greatly depending on the type of government they represent The author looks at democracies dictatorships and mixed regimes and compares the willingness among leaders to back out of wars or risk the costs of continued warfare Democracies according to Goemans will prefer to withdraw quickly from a war they are not winning in order to appease the populace Autocracies will do likewise so as not to be overthrown by their internal enemies Mixed regimes which are made up of several competing groups and which exclude a substantial proportion of the people from access to power will likely see little risk in continuing a losing war in the hope of turning the tide Goemans explores the conditions and the reasoning behind this gamble for resurrection as well as other strategies using rational choice theory statistical analysis and detailed case studies of Germany Britain France and Russia during World War I In so doing he offers a new perspective of the Great War that integrates domestic politics international politics and battlefield developments [The Gathering Storm: The Origins of the Second World War](#) Winston Churchill, 2023-11-30 In *The Gathering Storm: The Origins of the Second World War* Winston Churchill masterfully chronicles the tumultuous period leading up to one of history s most cataclysmic conflicts With a blend of autobiographical narrative and historical analysis Churchill employs a compelling prose style that is both rhetorical and vividly descriptive immersing readers in the fraught political landscape of the 1930s He deftly examines the failure of appeasement policies the rise of totalitarian regimes and the critical miscalculations by European powers positioning this work as a crucial text in understanding the complexities of international relations during this era As a renowned statesman military leader and historian Churchill s personal experiences during World War I and his deep engagement in British politics provide him with invaluable insights into the events leading to World War II His prescient views and passionate arguments reveal a man who understood the fragility of peace and the danger of complacency experiences that deeply influenced his thoughts during this pivotal time *The Gathering Storm* is an essential read for anyone seeking a nuanced understanding of the factors that led to World War II Churchill s blend of firsthand experience and historical perspective offers readers not only a clearer picture of global tensions but also a poignant reminder of the stakes involved in political leadership and diplomacy *Papa's War & Other Satires* Edward Garnett, 1923 **The War That Will End War** H.G. Wells, 2021-01-01 *The War That Will End War* by H G Wells In this thought provoking essay H G Wells confronts the devastating realities of World War I and explores the idea of using the conflict as a catalyst to end all future wars *The War That Will End War* presents Wells vision for a world order based on international cooperation and disarmament

urging for lasting peace and global harmony Key Aspects of the Book The War That Will End War World War I Analysis Wells essay offers a critical analysis of the causes and consequences of World War I reflecting on its profound impact on humanity Peace and Disarmament The book advocates for the pursuit of peace through collective efforts and the dismantling of militarism Humanitarian Ideals The War That Will End War reflects Wells humanitarian ideals and his belief in the potential for humanity to build a better future H G Wells was an English writer born in 1866 renowned for his contributions to science fiction and social commentary He wrote prolifically on various subjects including war and peace envisioning a world united by knowledge and empathy Wells works continue to inspire readers and provoke contemplation on the course of human history

Peace, War, and Computers Chris Hables Gray, 2005 Computers are at the heart of war today but even the best missile defense system envisioned by the military would have been useless against box cutters on September 11 Creator of the cult classic Cyborg Handbook and author of Cyborg Citizen hailed by Wired magazine as a ripping good yarn Chris Hables Gray argues that rapid technological development is the order of the day and our future will be determined by who uses it and for what terror or peace A visionary and disarming overview of cyberwar in the twenty first century Peace War and Computers looks beyond the gadgets of techno warfare and the early predictions of a purely cyberspace war to reveal how electronic culture has changed the way we wage war and strive for peace Unmanned aircraft soon to be followed by remote control naval fleets may appear to make warfare more sterile less bloody But as the fighting in Iraq has shown superior technology does not guarantee quick or bloodless victories Essential reading for anyone interested in computers politics and the cutting edge of military strategy and theory Peace War and Computers unlocks the power and pitfalls of computers for war and peace in a world where total war is as unthinkable as apocalyptic war is possible Book jacket

To End A War Introduction

In the digital age, access to information has become easier than ever before. The ability to download To End A War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download To End A War has opened up a world of possibilities. Downloading To End A War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading To End A War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download To End A War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading To End A War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading To End A War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download To End A War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About To End A War Books

What is a To End A War PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a To End A War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a To End A War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a To End A War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a To End A War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
