## Analysis of Barry Minkow

Barry Minkow was born on the 17<sup>th</sup> day of March 1967 in Reseda California state (Akst). During his childhood, he stayed with his Jewish parents in a middle-class suburb in the San Fernando Valley. His parents operated a garage while the mother was working as a telephone operator for a carpet cleaning firm. It is claimed that at the age of twelve Barry Minkow was introduced to carpet cleaning work by his mother (Akst). According to available governmental regulations on the opening of businesses, the carpet cleaning industry does neither require licensing nor apprenticeships, but only a small capital to start (Akst).

These cheap opening restrictions are blamed for the entry of Barry Minkow into the carpet cleaning industry by founding the ZZZZ BEST Company in 1982, at the age of sixteen (Akst). However, based on the fact that this type of business is very common in the US, Barry Minkow was faced with stiff competition, a factor that sufficiently threatened his ability to earn a livelihood. According to him, customer complainants and nagging vendors' demands for payments from his company proved a major challenge to the development of the company (Akst).

In addition, owing to his poor background, Barry Minkow could not successfully raise enough capital to sustain his newly established business. In addition, he could not get financial assistance from the local banks. As a result of these reasons, Barry Minkow developed a unique way of financing his business. Barry Minkow employed dubious means to expand his business capital. They ranged from cheating
