Unbroken (Shattered Promises, #2. 5) Jessica Sorensen, 2014-02-11 Unbroken Shattered Promises 2 5 Alex thought things were already complicated but then Gemma shows up possessed by Stephan and she wants to kill him Normally he would eliminate someone in Gemma's position to protect himself but his feelings for Gemma won't allow him to do that She's too important to him and he knows he has to save her without hurting her But can he find a way to save her before someone gets hurt Mature Content Warning 17 for language and sexual content *Enchanted Chaos* Jessica Sorensen, 2019-07-15 Skylin has always lived a fairly normal life Well except for the fact that whenever her emotions run high strange things occur like fires starting out of nowhere or the ground freezing over But the worst part is that a kiss from her will knock a person unconscious Still her life hasn't been too terrible until the day her parents vanish into thin air and she's shipped off to live with her father's friend and his six sons Skylin isn't sure if she can survive the chaos that is the Everetts family But she doesn't have a choice unless her parents are found so she tries to make the best of the situation and befriend the Everetts even though not all of them are fans of her especially Foster a guy she once had a crush on until he opened his mouth But it turns out that the Everetts aren't your typical family and Skylin soon realizes she's not the only person in the world with strange abilities And in order to survive the dangerous magical world she's thrown into full of magic and powerful gods and goddesses she'll have to put her trust in not only the Everetts but Foster as well This is a full length coming of age romantasy fated mates romance novel and Sky and Foster's story will wrap up in book 2 *Shimmering Chaos* which is now available **The Rules of Being Friends** Jessica Sorensen, My new life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they're letting on like maybe we've met before Not that everything is terrible Hunter and his friends are nice to me and they've brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I'm still being blackmailed by someone I need to figure out the truth about my past and fast *Yes, I Am A Vampire* Stephen Kozeniewski, 2024-07-27 The Collected Short Fiction and Autobiography of Stephen Kozeniewski 2013 2016 Despite all the evidence to the contrary I swear I am not a vampire Cross my heart and eh nevermind Just trust me there are no vampires within these pages Plenty of zombies though One of the short stories in this book features a zombie caveman for instance And another is called Exploding Shit Zombies You can probably guess what that one's about Not every story is zombie themed of course I've also got a monster under the bed piece that's pretty fucking scary And in another a bunch of little alien goblins take over a farmstead This isn't just a short story collection either Half of it's my autobiography I guarantee you've never seen those two styles mashed together before I also guarantee you've never seen any fucking vampires before Not here Not anywhere So let's just drop it What do you mean bloodstains all over the book Don't worry about those Just wipe the gore off your fingers and dive in to *Yes I Am A Vampire* The Simplicity in Ordinary

Jessica Sorensen , Ashlynn For the last month my life has been pretty perfect I have great friends and the best boyfriend ever But that changes when Queeny gives me an invite to her Halloween party which is as weird as it sounds And things only get stranger when The Heartbreaker Society contacts me requesting that I attend Queeny s party in exchange for something I want And that s just one of my problems on an ever growing list Maxon Things with Ash are amazing and while I occasionally am haunted by my past life is pretty decent That is until my dad shows up out of nowhere and all the painful memories of what happened come rushing back to me I don t know why he s back but I need to find out Just like I need to find a way to handle dealing with my emotions before I end up crumbling

Breathing Undead Lies Jessica Sorensen , Late one night I died on Hallows Hill And then I came back from the dead I m not sure how it happened All I know is that I m not the same person as I was before I died I ve started seeing things that shouldn t be real and I feel this strange pull toward Kingsley a guy I used to think was dangerous but now I m not so sure he is And I m pretty sure the people closest to me are lying about something I m also pretty sure my death wasn t an accident I need to figure out what happened to me before I end up dead Again

The Opposite of Ordinary Jessica Sorensen , In one day I went from being Ashlynn Wynterland one of the most popular girls in school to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science obsessed friends mess around with experiments All because Queeny Harlington thinks I made out with her crush Queeny Harlington is the queen of Fareland High And up until a day ago she was my best friend Now she s my worst enemy who s threatening to tell the entire school all of my dirty little secrets Being a friendless social outcast has its downsides So when Maxon invites me to hang out with him and his friends I accept his offer even though they all seem to despise me Which is fine Sort of The truth is I ve always thought Maxon is cute in a weirdly unordinary way And the more I get to know Maxon the more I find myself liking him But when Queeny decides to tell everyone my darkest secret of all my new friendship doesn t look as if it s going to survive As my heart breaks I make a choice that ends up shattering my world In that dark moment I discover that Fareland is a town with secrets and that nothing is what it appears to be A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood

King of Innocence and Peace Lorenza Palomino,2019-09-09

The passion of this book is immense because it shows you how to release the sufferings of Jesus Christ and your own swiftly At your willingness to take a quantum leap to release Him from the crown of thorns is the most rapid way to see through the fog of darkness and into the clarity of lightness where you will see the world from which you are from And you will look behind you and see the mirage of the world from which you instinctively know you do not belong and this is a fabulous awakening into breath of life For the delight of the experience in writing it was on a grandeur scale in which you can never witness it alone Working alongside of the Holy Spirit isn t all seriousness all the time for He has a fabulous sense of humor There were times I cried frowned smiled giggled and laughed but the ultimate amazement through the whole process was His love light tenderness compassion understanding patience peace safety unity and freedom He exhibited through His lead

in what was to be written in regards to the brilliant act of The King of Innocence and Peace The Guiltlessness In You You have never seen anything so lovely until you see Jesus Christ smile This book speaks of the simplicity of quantum leap where you will be witness to His lovely smile upon you The intensity of the simplicity and power of quantum leap is beyond anything you could ever imagine until you travel through it with Me Here with My assistance you will swiftly pull yourself out of your own sufferings in any situation and circumstance and the sufferings of others no matter what form throughout the whole world in peace through quantum leap It is important to be patient and remain in calmness in any circumstance because this is the best and instant way holiness enters to help you through Be willing to release Jesus Christ from the crown of thorns and be a witness as He rises wearing the crown of white lilies you offered Him glistening golden with a blazing amazing smile delighted you have chosen to release Him from His sufferings your brothers and your own I hope you permit Me through this poetic truth to take you into spiritual vision and knowledge and we will go through the quantum leap process so tender you will not know you even traveled through it until you realize the spiritual sight given you Here you will certainly see the open doors of bliss to love joy peace freedom union and safety To be a witness to the release of Jesus sufferings from the crown of thorns is to see Him gleam of joy that you have chosen to release Him yourself and your brothers from the thorns at every corner of the world You will witness the risen Christ wearing the crown of white lilies with a lovely smile in beauty and sovereignty which is the ultimate release into a holy wonder of reconciliation with Him This is the process of quantum leap into Atonement where you instantly gain spiritual vision and knowledge of who you are why things happen the way they do where your real home is and you are never alone And this is where insanity is restored to sanity and forgetfulness is reestablished to the remembrance of your Father in Heaven Wouldn't you want to be released from the agonies of your insanity It would be foolish not to want it Holy Spirit God's Holy Commissioner Your Guide Teacher and Comforter The Year Book of English Authors Ida Scott Taylor McKinney,1901 **Wreck Me** Jessica Sorensen,2015-04-15 I'd heard stories of near death experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn't about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she'd found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn't see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson He's sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down Queen Of Vengeance Flora Rex,2025-02-26 I was never meant to inherit the throne of my father's

empire I was trained to be his secret weapon not his successor But when my family was slaughtered their blood staining the legacy I never wanted I became the last heir to a syndicate that bows to no queen They expect me to fail To fall To be swallowed whole by the enemies who circle like vultures But I am not the broken girl they left for dead With a mercenary who trusts no one at my side and a war brewing in the shadows I will take back what is mine No matter the cost They thought I was a pawn in their game They were wrong I am the queen And I ve come for vengeance The Encyclopedia Americana Frederick Converse Beach,Forrest Morgan,George Edwin Rines,E.
