

Unit 7: Global Warfare - Study Guide C. 1900 - Present / Exam Weighting: 8-10%

Topic 7.1 Shifting Power After 1900

Learning Objective Explain how internal and external factors contributed to change in various states after 1900.	Historical Developments The West dominated the global political order at the beginning of the 20th-century, but both land-based and maritime empires gave way to new states by the century's end. The older, land-based Ottoman, Russian, and Qing empires collapsed due to a combination of internal and external factors. These changes in Russia eventually led to communist revolution. States around the world challenged the existing political and social order, including the Mexican Revolution that arose as a result of political crisis.	- Describe the factors that led to the collapse of the Ottoman Empire. - The reduction in both agricultural and economic output - Taking out loans from European countries - Nationalist efforts that failed and resulted in land loss - Not being able to industrialize - rivalry with the industrialized West - Describe the factors that led to the collapse of the Russian Empire. - Growing discontent among the poor and working class - Losing the Crimean and Russo-Japanese War - Fuels and food shortages - Spread and popularity of communism - Industrialized Western nations beating them in war - Describe the factors that led to the collapse of the Qing Dynasty in China. - Food and fuel shortages - Boxer Rebellion directed toward foreigners - Spheres of Influence - Revolutions of 1911 by Sun Yat-Sen - What factors led to the Bolshevik Revolution in Russia in 1917? - To urge the tsar for improved working conditions and universal suffrage, thousands of workers peacefully marched. - Their demand was for more pay. - World War I - Russo-Japanese War - What were some of the outcomes of the Bolshevik Revolution? What changes did it bring? Members of the Bolshevik political party were able to take control of Petrograd, the Russian capital. They also won the Russian Civil War. - How did the Mexican Revolution (1910 and beyond) challenge the existing political and social order in Mexico? Land redistribution, universal suffrage, and public education were among the objectives of Mexico's 1917 new constitution.

Y. Sterling, 2025-07-04 For hundreds of thousands of years the story of human success was the story of a unique and powerful package In what this groundbreaking book calls the era of the Bundled Ape our ancestors dominated the planet by combining analytical intelligence emotional connection and physical dexterity within a single vessel the individual human Our societies economies and even our myths were built on the assumption that the person with the idea is also the one who feels the passion directs the hands and experiences the consequences Now that bundle is coming apart In *The Great Unbundling* the author presents a stunning new thesis for understanding our turbulent times The true disruption of artificial intelligence is not that it s a new tool but that it is the engine of a historical process that is systematically isolating each of our core functions improving them beyond human capacity and rendering the original human package obsolete This unbundling is being driven at a breakneck pace by the relentless profit seeking engine of modern capitalism which sees in AI the ultimate instrument for maximizing efficiency The evidence is everywhere *The Unbundling of Labor* Generative AI is poised to automate or degrade the work of 300 million full time employees striking at the heart of the knowledge economy from law and finance to journalism and medicine *The Unbundling of Intelligence* For the first time raw

problem solving capability is being divorced from conscious understanding An AI can pass the medical licensing exams without knowing what it means to heal or ace the bar exam without a concept of justice forcing us to ask what expertise truly means The Unbundling of Connection In an age of profound loneliness AI is stepping in to meet our most fundamental needs With AI companions parasocial relationships and algorithmically curated communities emotional fulfillment is being unbundled from the messy unpredictable and deeply rewarding work of human to human connection What happens to a species whose core evolutionary advantage has been deconstructed and outsourced What is the economic value of a human being in a world where our bundled skills are no longer competitive This leads to the crisis of humanism itself and forces us to consider radical solutions like Universal Basic Income not as a political choice but as a potential civilizational necessity in the face of a useless class But this is not another prophecy of doom The unbundling is not an endpoint but a turning point The Great Unbundling is the first book to chart the powerful counter current that is rising in response The Great Re bundling This is the story of the conscious human effort to forge a new purpose From the new artisans who are building thriving businesses on the very integrated authentic human skills that AI cannot replicate to the political movements and policymakers fighting to subordinate this new technology to human values a new path is being forged The Great Unbundling is a profound deeply researched and ultimately hopeful guide to the most important transition of our lifetime It provides the essential framework for understanding the forces reshaping our world and offers a stirring vision for how we can actively create our future This provocative and insightful work argues that we are at a civilizational crossroads We can either passively accept our unbundling or begin the conscious creative and difficult work of forging a new human purpose Essential reading for aficionados of Yuval Noah Harari Nick Bostrom and Kai Fu Lee The Great Unbundling is sure to spark debate and will forever change how you think about the future of humanity United States Armed Forces Institute Catalog United States Armed Forces Institute,1963 *School Life* ,1945 *100 Top Picks for Homeschool Curriculum* Cathy Duffy,2005 A critical volume for the homeschooling community that helps parents make informed choices regarding learning styles and curriculum **School** ,1928
