Common Core English Language Arts in a PLC at Work®, Grades 9-12 Douglas Fisherr, Nancy Frey, 2013-01-09 Explore strategies for integrating the Common Core State Standards for English language arts for grades 9-12 in this resource which focuses on areas of instruction, curriculum, assessment and intervention. You will also learn how to implement the CCSS within the powerful PLC at Work™ process. Critical chapter opening questions guide discussion and help you leverage the CCSS to optimize student learning. **Active History** Andi Stix, Frank Hrbek, 2013-10-01 Journey back to Ancient Egypt to discover the mummification process, learn about the Egyptian afterlife and understand what it was like to be part of the bartering system. Active History Ancient Egypt provides students with meaningful learning experiences through five engaging and easy-to-implement simulations that appeal to a variety of learning modalities and promote critical thinking. These simulations empower students to participate in their own active learning and provide the opportunity to make connections to present-day life. This must-have resource is perfect to support students' deep learning and use of higher-order thinking skills. Support materials include planning documents, templates, graphic organizers, background information and more. Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards (CCSS) for English Language Arts (ELA) and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive, coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include: Six thematic units for each grade, each centered on a curated collection of literary and informational texts; Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills; Suggested texts and activities to incorporate science, art and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening and language skills articulated in the CCSS for ELA. **Common Core Curriculum Maps in English Language Arts, Grades K-5** Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards, forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards (CCSS). The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive, coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities and assessments, lesson plans and more. Teachers

can use the maps to plan their year and craft their own more detailed lesson plans Any teacher school or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards

Schooling Corporate Citizens Ronald W. Evans, 2014-11-27 Schooling Corporate Citizens examines the full history of accountability reform in the United States from its origins in the 1970s and 1980s to the development of the Common Core in recent years Based in extensive archival research it traces the origins and development of accountability reform as marked by key government and business led reports from A Nation at Risk to No Child Left Behind and Race to the Top By using the lens of social studies and civic education as a means to understand the concrete impacts of accountability reforms on schools Evans shows how reformers have applied principles of business management to schools in extreme ways damaging civic education and undermining democratic learning The first full length narrative account of accountability reform and its impact on social studies and civic education Schooling Corporate Citizens offers crucial insights to the ongoing process of American school reform shedding light on its dilemmas and possibilities and allowing for thoughtful consideration of future reform efforts
