Faust, 2015-11-15 Saddam Hussein ruled Iraq as a dictator for nearly a quarter century before the fall of his regime in 2003 Using the Ba'th party as his organ of meta-control he built a broad base of support throughout Iraqi state and society Why did millions participate in his government parrot his propaganda and otherwise support his regime when doing so often required betraying their families communities and beliefs Why did the Hussein Ba'thist system prove so durable through uprisings two wars and United Nations sanctions Drawing from a wealth of documents discovered at the Ba'th party's central headquarters in Baghdad following the US-led invasion in 2003 *The Ba'thification of Iraq* analyzes how Hussein and the party inculcated loyalty in the population Through a grand strategy of Ba'thification Faust argues that Hussein mixed classic totalitarian means with distinctly Iraqi methods to transform state social and cultural institutions into Ba'thist entities and

the public and private choices Iraqis made into tests of their political loyalty Focusing not only on ways in which Iraqis obeyed but also how they resisted and using comparative examples from Hitler's Germany and Stalin's Russia The Banihification of Iraq explores fundamental questions about the roles that ideology and culture institutions and administrative practices and rewards and punishments play in any political system

**Money Mania** Bob Swarup, 2014-03-10 Money Mania is a sweeping account of financial speculation and its consequences from ancient Rome to the Meltdown of 2008 Acclaimed journalist and investor Bob Swarup tracks the history of speculative fevers caused by the appearance of new profitable investment opportunities the new assets created and the increasing self congratulatory euphoria that drives them to unsustainable highs all fed by an illusion of insight and newly minted experts the unexpected catalysts that eventually lead to panic the inevitable crash as investors scramble to withdraw their funds from the original market and any other that might resemble it and finally the brevity of financial memory that allows us to repeat the cycle without ever critically evaluating the drivers of this endless cycle In short it is the story of what makes us human

**Jerusalem Delivered (Gerusalemme liberata)** Torquato Tasso, 2003-05-22 Late in the eleventh century the First Crusade culminated in the conquest of Jerusalem by Christian armies Five centuries later when Torquato Tasso began to search for a subject worthy of an epic Jerusalem was governed by a sultan Europe was in the crisis of religious division and the Crusades were a nostalgic memory Tasso turned to the First Crusade both as a subject that would test his poetic ambition and as a reflection on the quandaries of his own time He sought to create a masterpiece that would deserve comparison with the great epics of the past Gerusalemme liberata became one of the most widely read and cherished books of the Renaissance First published in 1581 it was translated into English by Edward Fairfax in 1600 That translation has been the standard even though Fairfax was only a good not a great poet Fairfax tried to fit Tasso's verse into Spenserian stanzas adding to and subtracting from the original and often changing Tasso's meaning Anthony Esolen's new translation captures the delight of Tasso's descriptions the different voices of its cast of characters the shadings between glory and tragedy and it does all this in an English as powerful and clear as Tasso's Italian Tasso's masterpiece finally emerges as an English masterpiece

homiletical movement through each pericope of the book enabling the expositor to discover valid application for sermons While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the thirty five units of Genesis The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through Genesis with an emphasis on application **Edward Dmytryk**
