The Mystery of the Boule Cabinet a Detective Story Burton Egbert Stevenson, 2016-07-06 The Mystery of the Boule Cabinet is not a French detective story inasmuch as the scene is laid right in the heart of New York City but it is worthy of the best French masters of detective fiction in its audacity of plot in the logical and at the same time baffling manner in which the clues are unwound in its astonishing turns and twists its astounding denouement and above all in its wonderful central figure who is one of the few really great characters in detective fiction

The Mystery of the Boule Cabinet Burton Egbert Stevenson, 2015-10-29 I have no very clear remembrance of what happened after that The shock was so great that I had just strength enough to totter to a chair and drop into it and sit there staring vaguely at that dark splotch on the carpet I told myself that I was the victim of a dreadful nightmare that all this was the result of over wrought nerves and that I should wake presently No doubt I had been working too hard I needed a vacation well I would take it And all the time I knew that it was not a nightmare but grim reality that Philip Vantine was dead killed by a woman Who had told me that And then I remembered the sobbing voice Two or three persons came into the room Parks and the other servants I suppose I heard Godfrey s voice giving orders and finally someone held a glass to my lips and commanded me to drink I did so mechanically coughed spluttered was conscious of a grateful warmth and drank eagerly again And then I saw Godfrey standing over me Feel better he asked I nodded

The Mystery of the Boule Cabinet Burton E Stevenson, 2020-10 Book Excerpt down at the body and as I followed his gaze I noted its attitude more accurately than I had done in the first shock of discovering it It was lying on its right side half on its stomach with its right arm doubled under it and its left hand clutching at the floor above its head The knees were drawn up as though in a convulsion and the face was horribly contorted with a sort of purple tinge under the skin as though the blood had been suddenly congealed The eyes were wide open and their glassy stare added not a little to the apparent terror and suffering of the face It was not a pleasant sight and after a moment I turned my eyes away with a shiver of repugnance The coroner glanced at Simmonds Not much question as to the cause he said Poison of course Of course nodded Simmonds But what kind asked Godfrey It will take a post mortem to tell that and Goldberger bent for another close look at the distorted face I m free to admit the symptoms aren t the usual ones
