WHY IS A NIGGER NOT A NEGRO? SHOULD WE INTEGRATE
OR SEGREGATE? IS CHRISTIANITY FOR NIGGERS? ISLAM?
JUDAISM? DO NIGGERS NEED A GOD OF THEIR OWN?

ROBERT H. deCOY

NOMINATED FOR BOTH NOBEL AND PULITZER PRIZES FOR LITERATURE

THE NIGGER BIBLE

"Not a book to be read and laid aside. It is to be studied, for it is destined
to become one of the all time great books."

-Minneapolis Star

The Nigger Bible

R Pring

The Nigger Bible:

The Nigger Bible Robert H. DeCoy,1972 **A Nigger's Bible** Robert H. DeCoy,1967 **Droppin' Science** William Eric Perkins,1996 Rap and hip hop the music and culture rooted in African American urban life bloomed in the late 1970s on the streets and in the playgrounds of New York City This critical collection serves as a historical guide to rap and hip hop from its beginnings to the evolution of its many forms and frequent controversies including violence and misogyny These wide ranging essays discuss white crossover women in rap gangsta rap message rap raunch rap Latino rap black nationalism and other elements of rap and hip hop culture like dance and fashion An extensive bibliography and pictorial profiles by Ernie Pannicolti enhance this collection that brings together the foremost experts on the pop culture explosion of rap and hip hop Author note William Eric Perkins is a Faculty Fellow at the W E B DuBois House at the University of Pennsylvania and an Adjunct Professor of Communications at Hunter College City University of New York **Killer Cop** Joseph Nazel,1991-09

Black World/Negro Digest ,1968-09 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement *African Americans and the Bible* Vincent L. Wimbush,2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meanings of the Bible than about the Bible and meanings less about the worlds of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed

The Word Nigger:from a White Southern Male Shane Bell,2014-08-04 *Street Players* Kinohi Nishikawa,2019-01-11 The uncontested center of the black pulp fiction universe for more than four decades was the Los Angeles publisher Holloway House From the late 1960s until it closed in 2008 Holloway House specialized in cheap paperbacks with page turning narratives featuring black protagonists in crime stories conspiracy thrillers prison novels and

Westerns From Iceberg Slim's Pimp to Donald Goines's Never Die Alone the thread that tied all of these books together and made them distinct from the majority of American pulp was an unfailing veneration of black masculinity Zeroing in on Holloway House Street Players explores how this world of black pulp fiction was produced received and recreated over time and across different communities of readers Kinohi Nishikawa contends that black pulp fiction was built on white readers' fears of the feminization of society and the appeal of black masculinity as a way to counter it In essence it was the original form of blaxploitation a strategy of mass marketing race to suit the reactionary fantasies of a white audience But while chauvinism and misogyny remained troubling yet constitutive aspects of this literature from 1973 onward Holloway House moved away from publishing sleaze for a white audience to publishing solely for black readers The standard account of this literary phenomenon is based almost entirely on where this literature ended up in the hands of black male working class readers When it closed Holloway House was synonymous with genre fiction written by black authors for black readers a field of cultural production that Nishikawa terms the black literary underground But as Street Players demonstrates this cultural authenticity had to be created promoted and in some cases made up and there is a story of exploitation at the heart of black pulp fiction's origins that cannot be ignored

The N Word Jabari Asim, 2008-08-04 A renowned cultural critic untangles the twisted history and future of racism through its most volatile word The N Word reveals how the term nigger has both reflected and spread the scourge of bigotry in America over the four hundred years since it was first spoken on our shores Jabari Asim pinpoints Thomas Jefferson as the source of our enduring image of the nigger In a seminal but now obscure essay Jefferson marshaled a welter of pseudoscience to define the stereotype of a shiftless child man with huge appetites and stunted self control Asim reveals how nineteenth century science then colluded with popular culture to amplify this slander What began as false generalizations became institutionalized in every corner of our society the arts and sciences sports the law and on the streets Asim's conclusion is as original as his premise He argues that even when uttered with the opposite intent by hipsters and hip hop icons the slur helps keep blacks at the bottom of America's socioeconomic ladder But Asim also proves there is a place for the word in the mouths and on the pens of those who truly understand its twisted history from Mark Twain to Dave Chappelle to Mos Def Only when we know its legacy can we loosen this slur's grip on our national psyche

Turn Out the Lights Gary Cartwright, 2010-07-22 Whether the subject is Jack Ruby Willie Nelson or his own leukemia stricken son Mark when it comes to looking at the world through another person's eyes nobody does it better than Gary Cartwright For over twenty five years readers of Texas Monthly have relied on Cartwright to tell the stories behind the headlines with pull no punches honesty and wry humor His reporting has told us not just what's happened over three decades in Texas but more importantly what we've become as a result This book collects seventeen of Cartwright's best Texas Monthly articles from the 1980s and 1990s along with a new essay My Most Unforgettable Year about the lasting legacy of the Kennedy assassination He ranges widely in these pieces from the reasons for his return to Texas after a New

Mexican exile to profiles of Kris Kristofferson and Willie Nelson Along the way he strolls through San Antonio's historic King William District attends a Dallas Cowboys old timers reunion and the Holyfield vs Foreman fight visits the front lines of Texas new range wars gets inside the heads of murderers gamblers and revolutionaries and debunks Viagra miracles psychic surgery and Kennedy conspiracy theories In Cartwright's words these pieces all record the renewal of my Texas ness a rediscovery of Texas after returning home **The Americans at Home** David Macrae,1870 The Atlantic Monthly ,1922
