success Tyler's journey clearly shows that passion and opportunity can be found in the most unexpected places Captivated by a rare Amazonian tea leaf called guayusa that had never been commercially produced Tyler started RUNA to partner with the indigenous people of Ecuador to share its energy and its message with the world Using the spiritual teachings lessons and healing traditions of the Amazon as his guide Tyler built RUNA from a scrappy start up into a thriving multimillion dollar company that has become one of the fastest growing beverage companies in the United States With the help of investors such as Channing Tatum Leonardo DiCaprio and Olivia Wilde RUNA has created a sustainable source of income for more than 3 000 farming families in Ecuador who sustainably grow guayusa in the rainforest Simultaneously RUNA has built a rapidly scaling nonprofit organization that is working to create a new future for trade in the Amazon based on respectful exchange and healing not exploitation and greed Practical tools and lessons are woven throughout the story of Gage's successes and failures offering guidance on how to relate to obstacles as teachers and how to accomplish our personal and professional goals in the often uncertain circumstances we find ourselves in
