John Lescroart: The Dismas Hardy Novels John Lescroart, 2012-06-05 From the New York Times bestselling author comes four novels from his most popular legal thriller series Ex cop and lawyer Dismas Hardy works with his best friend officer Abe Glitsky in taking down San Francisco's toughest criminals and upholding justice in the crime ridden city Includes THE OATH THE HEARING THE SECOND CHAIR THE FIRST LAW

The First Law John Lescroart, 2001-01-01 From the bestselling author of *The Oath* comes a spellbinding novel that forces defense attorney Dismas Hardy and Lieutenant Abe Glitsky outside the law and into the fight for their lives

The Motive John Lescroart, 2005-12-27 With their park view and old fashioned detail the Victorian houses on San Francisco's Steiner Street were highly valuable But with their wooden construction they were also highly vulnerable So when Paul Hanover's multimillion dollar home went up in flames it was all over very quickly And when the bodies of Hanover and his girlfriend were found in the charred debris it appeared that the end came even more quickly for them judging from the bullet holes in their heads But this isn't just any double homicide Hanover was a friend and donor to the mayor who wants answers And in trying to provide them Abe Glitsky and Dismas Hardy will face an old lover and an old enemy and follow a trail of evidence that stretches far beyond their usual jurisdiction

The First Law John Lescroart, 2004-01-06 In this thrilling novel from

the acclaimed Dismas Hardy series Hardy's friend and client finds himself the prime suspect in a homicide investigation. While Dismas Hardy has built a solid legal practice and a happy family, his friend John Holiday, a proprietor of a rundown local bar, has not followed the same path. Despite this, Hardy has remained Holiday's attorney and confidant, and when Holiday is suspected of murder, Hardy and Glitsky find ample reason to question Holiday's guilt. But Hardy's case falls on hostile ears, and to avoid arrest, Holiday turns fugitive. The police now believe three things: that Hardy is a liar protecting Holiday, that Holiday is a cold-blooded killer, and that Glitsky is a bad cop on the wrong side of the law. As the suspense reaches fever pitch, Hardy, Glitsky, and even their families may be caught in the crossfire and directly threatened, and this time the police won't be on their side.

Dead Irish John Lescroart, 2005-02-01 THE FIRST NOVEL IN THE NEW YORK TIMES BESTSELLING DISMAS HARDY SERIES In his new life as a bartender at the Little Shamrock, Dismas Hardy is just hoping for a little peace. He's left both the police force and his law career behind. Unfortunately, it's not as easy to leave behind the memory of a shattering personal loss, but for the time being, he can always take the edge off with a stiff drink and round of darts. But when the news of Eddie Cochran's death reaches him, Hardy is propelled back into all the things he was trying to escape. And forced to untangle a web of old secrets and raw passions for the sake of Eddie's pregnant widow, Frannie, and for the others whose lives may still be at risk.

The Hearing John Lescroart, 2002-02-01 Hardy's best friend, Lieutenant Abe Glitsky, has kept a secret from him, and everyone else. Hardy never knew that Abe had a daughter until she was shot dead. It seems obvious that the heroin addict hovering over her body with a gun is the guilty party, and Glitsky has few qualms about sweating a confession out of him. But there is more to this murder, much more. And as both Hardy and Glitsky risk their lives to uncover the truth, others are working hard to stop them.
