The Old Curiosity Shop Wordsworth Classics:

The Old Curiosity Shop Charles Dickens, 2019-06-08 *The Old Curiosity Shop* tells the story of Nell Trent a beautiful and virtuous young girl of not quite fourteen An orphan she lives with her maternal grandfather whose name is never revealed in his shop of odds and ends Her grandfather loves her dearly and Nell does not complain but she lives a lonely existence with almost no friends her own age Her only friend is Kit an honest boy employed at the shop whom she is teaching to write Secretly obsessed with ensuring that Nell does not die in poverty as her parents did her grandfather attempts to provide Nell with a good inheritance through gambling at cards He keeps his nocturnal games a secret but borrows heavily from the evil Daniel Quilp a malicious grotesquely deformed hunchbacked dwarf moneylender In the end he gambles away what little money they have and Quilp seizes the opportunity to take possession of the shop and evict Nell and her grandfather Her grandfather suffers a breakdown that leaves him bereft of his wits and Nell takes him away to the Midlands of England to live as beggars

The Old Curiosity Shop Charles Dickens, 1995 This novel is a frequently and deliberately sentimental story of pursuit and courage in adversity of malevolent and vile villains and the plucky and downtrodden characters who oppose them and their evil actions

Beneath the Big Top Steve Ward, 2014-09-03 A valuable and illuminating read shedding a lot of light on the political economic and technological factors that have driven circus evolution *The Circus Diaries Beneath the Big Top* is a social history of the circus from its ancient roots to the rise of the modern tented travelling shows A performer and founder of a circus group Steve Ward draws on eyewitness accounts and contemporary interviews to explore the triumphs and disasters of the circus world He reveals the stories beneath the big top during the golden age of the circus and the lives of circus folk which were equally colorful outside the ring Pablo Fanque Britain's first black circus proprietor The Chipperfield dynasty who started out in 1684 on the frozen Thames Katie Sandwina world's strongest woman and part time crime fighter The Sylvain brothers who fell in love with the same woman in the ring As a former circus performer and now teacher and circus professional I thoroughly enjoyed this book *The Circus* has such a rich history and Steve does an amazing job at not only chronicling it but also telling entertaining and wonderful stories throughout The photos are also amazing I recommend this book for both circus professionals and also for everyone else it is a fabulous read for all

Carrie Heller Circus Arts Institute Atlanta GA [Literary Bric-à-Brac and the Victorians](#) Jen Harrison, 2016-05-06 What are we to make of the Victorians fascination with collecting What effect did their encounters with the curious exotic and downright odd have on Victorian writers and their works The essays in this collection take up these questions by examining the phenomenon of bric à brac in Victorian literature The contributors to *Literary Bric à Brac and the Victorians* From Commodities to Oddities explore sites of unusual concurrence including museums the home art galleries private collections and the way in which bric à brac brought the alien into everyday settings the past into the present and the wild into the domestic Focusing on the representation of material culture in Victorian literature the essays in this volume seek out miscellaneous and incongruous

objects that take readers beyond the commonplace paradigms associated with commodity culture Individual chapters analyse the work of writers as different as Edward Lear and John Henry Newman Robert Browning and George Eliot Charles Dickens and Lewis Carroll In so doing they shed light on a dizzying array of topics and objects that include class and capitalism the occult and the sacraments Darwinism and dandyism umbrellas textiles the Philosopher s Stone and even the household nail

The Plays of Oscar Wilde Oscar Wilde,2000 Oscar Wilde took London by storm with his first comedy Lady Windermere s Fan His other plays include A Woman of No Importance and The Importance of Being Earnest This work features Wilde s plays ranging from his early tragedy era to the controversial Salome and little known fragments La Sainte Courtisane and A Florentine Tragedy **Pride and Prejudice** Jane Austen,1992 Elizabeth Bennet s early determination to dislike Mr Darcy is a prejudice only matched by his arrogant pride **Tristram Shandy** Laurence Sterne,1996 Introduces us to a group of memorable characters variously eccentric farcical and endearing This book involves the reader in the labyrinthine creation of a purported autobiography It anticipates modernism and postmodernism *Persuasion* Jane Austen,1993 The last novel completed by Jane Austen before she died unmarried in her early forties Persuasion is often thought to be the story of the author s own lost love Improving Passions Charles Burnetts,2017-06-26 Reveals a fascinating history of aesthetic debate concerning the emotional and moral functions of artWhen did the sentimental start to mean awful Why are so many popular mainstream films dismissed for their sentimentality and are there any meaningful differences between the sentimental and the melodramatic These are some of the questions addressed in Charles Burnetts illuminating genealogy of the concept as both a literary genre and an aesthetic philosophy a tradition that prefigures the advent of film yet serves as a vital framework for understanding its emotional and ethical appeal Examining eighteenth century amoral sense philosophy as a neglected but still important intellectual area for film theory and drawing on case studies of film sentimentality during the early classical and post classical eras of US cinema Improving Passions is an innovative exploration of the sentimental tradition as both theatrical genre and cultural logic Key featuresExamines eighteenth century amoral sense philosophy and asensibility as neglected but important intellectual areas for film theoryProvides case studies of film sentimentality during early classical and post classical eras of US cinema focusing specifically on issues of critical receptionEngages with speculation by classical and contemporary film theorists about the ethical and affective possibilities of filmExamines new approaches to affect in film and media philosophy that draw directly on and reconfigure a sentimental aesthetics *Elementary Education in English Periodicals, 1833-1880* Edwin Patrick Powell,2024-09-30 The nature and purpose of elementary education featured prominently in English periodicals throughout the nineteenth century This book s central argument is that the periodical press provided a unique cultural space for literary and intellectual contributions to sustained debates about education Furthermore political economic social religious literary and cultural developments converged with pivotal educational turning points featured in periodicals that affirmed the creative force of education However relatively little scholarly

attention has been given to periodicals as a medium for exploring the tension between competing educational ideas and practices in Victorian England This book therefore reassesses elementary education through the new literary perspectives of periodical culture
